

### 2.8.1 Annual Statewide Summary

1. American Recovery and Reinvestment Act (ARRA) Conference: Training provided for all LEA's in Washington State, specifically for Business and Federal Program Directors, to provide them with information on how to implement ARRA.
2. Sovereignty Curriculum Pilot: Title V funds were provided to ten LEA's in Washington State to assist them with piloting the State's Sovereignty Curriculum.
3. NCLB Regional Workshops: Nine regional workshops were provided to teachers and administrators on NCLB related programs. Example: How Title I, V, and RTI work together to build highly effective programs for students.
