The Honorable Ian Rosenblum
Deputy Assistant Secretary for Policy and Programs,
Delegated the authority to perform the functions and
duties of the Assistant Secretary
Office of Elementary and Secondary Education
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Dear Deputy Assistant Secretary Rosenblum:

I am writing to request a waiver, pursuant to section 8401 of the Elementary and Secondary Education Act of 1965 (ESEA), of the following requirements as a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19):

State:

Please check all that apply:

- Carryover limitation in section 1127(b) of the Elementary and Secondary Education Act of 1965 (ESEA) for Federal fiscal year (FY) 2020 Title I, Part A funds (i.e., the Title I, Part A funds that will become carryover funds on October 1, 2021): to waive the requirement that limits an SEA's ability to grant to its LEAs a waiver of the 15 percent Title I, Part A carryover limitation in section 1127(a) to once every three years.

Period of availability of funds in section 421(b) of the General Education Provisions Act (GEPA): to extend the period of availability of FY 2019 funds for programs in which the SEA participates under its approved consolidated State plan until September 30, 2022. The programs are *(please check all that apply)*:

- Title I, Part A of the ESEA (Improving Basic Programs Operated by LEAs), including the portions of the SEA's Title I, Part A award used to carry out section 1003 school improvement, section 1003A direct student services, if applicable, and Title I, Part D, Subpart 2
- Title I, Part B of the ESEA (State Assessment Formula Grants)
- Title I, Part C of the ESEA (Education of Migratory Children)
- Title I, Part D, Subpart 1 of the ESEA (Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk)
- Title II, Part A of the ESEA (Supporting Effective Instruction)

- Title III, Part A of the ESEA (English Language Acquisition, Language Enhancement, and Academic Achievement)
- Title IV, Part A of the ESEA (Student Support and Academic Enrichment Grants)
- Title IV, Part B of the ESEA (21st Century Community Learning Centers)
- Title V, Part B, Subpart 2 of the ESEA (Rural and Low-Income School Program)
- McKinney-Vento Education for Homeless Children and Youth Program

I am requesting this/these waiver(s) because it is not possible to obligate funds on a timely and responsible basis.

Consistent with the requirements of ESEA section 8401(b)(1)(C) and (F), describe how the waiving of such requirements will advance student academic achievement and how schools will continue to provide assistance to the same populations served by programs for which waivers are requested.

In seeking these waivers, I assure that *(please check all assurances)*:

- The SEA will use, and ensure that its subgrantees use, funds under the respective programs in accordance with the provisions of all applicable statutes, regulations, program plans, and applications not subject to these waivers.
- The SEA will work to mitigate, and ensure that its subgrantees work to mitigate, any negative effects that may occur as a result of the requested waivers.
- The SEA has provided the public and all LEAs in the State with notice of, and the opportunity to comment on, this request by posting information regarding the waiver request and the process for commenting on the State website in the manner in which the SEA customarily provides such notice and opportunity to comment and has enclosed with this waiver request any comments received and a description of how the SEA addressed such comments.

Thank you for your consideration.

Sincerely,

Chief State School Officer (or Authorized
Representative)

School Year 2020–21 Public Comment Survey

Name and/or Organization	Email or Phone Number	Comment
Renton SD	Linda.hoste@rentonschools.us	Due to the pandemic schools and districts have not been able to expend funds in the same manner as in previous years. We have not had the opportunity to conduct professional development in the same manner, our needs for materials has changed, we have not been able to host family events in the same manner nor the need to hire certain personnel due to the remote conditions we have been working in. As a result our carry-over in some cases exceeds our normal limits. A waiver to the current limit would allow us to make use of these funds as we return to in-person school.
Riverview School District	stockerr@rsd407.org	The pandemic has impacted our the intentions, most specifically, of our Title II and Title III expenditure plans. We strongly support the extension of availability of the FY 2019 funds to better serve our students, staff, and families.
Joyce Pearson, Soap Lake School District	jpearson@slschools.org	The waiver should be applied for due to the ongoing changes that have impacted planned learning activities. Planning has been very difficult to implement and has impacted expending funds.

Rosalia School District 320	pbrown@rosaliaschools.org	The waiver is so very important to our school district. Because of covid, our district was unable to facilitate our programs as we planned due to short staffing and modification of schedules. I am hopeful that the waiver will be granted so that our school district can use those funds to be able to provide additional learning opportunities for our students.
