

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

JUN 24 2016

The Honorable Randall I. Dorn
State Superintendent of Public Instruction
Washington Department of Public Instruction
PO Box 47200
Olympia, WA 98504

Dear Superintendent Dorn:

I am writing in response to Washington's request on April 12, 2016 for a limited waiver of the requirement in section 1111(b) of the Elementary and Secondary Education Act of 1965 (ESEA) to access the full range of the State's academic content standards so that the State's assessment system need not measure the State's speaking and listening standards at this time. Washington requested this waiver because assessing speaking and listening skills in a large-scale summative assessment is not practicable at this time.

After reviewing Washington's request, I am pleased to grant, pursuant to my authority under section 8401(b) of the ESEA, as amended by the Every Student Succeeds Act (ESSA), a limited waiver of section 1111(b)(3)(C)(ii) of the ESEA, as amended by the No Child Left Behind Act of 2001 (NCLB), for school year (SY) 2016-2017 and of section 1111(b)(2)(B)(ii) of the ESEA, as amended by the ESSA, for SYs 2017-2018 and 2018-2019 so the State's assessment system need not measure the State's speaking and listening standards at this time.

This waiver is granted to Washington on the condition that it will implement the following assurances:

- It will continue to meet for each year of the waiver all other requirements in the ESEA, as amended by NCLB or the ESSA, as applicable, for State assessment systems and the implementing regulations with respect to the State's academic content and achievement standards and assessments, including reporting student achievement and school performance, disaggregated by subgroups, to parents and the public.
- It will work toward assessing speaking and listening consistent with the State's academic content standards.
