Vision

All students prepared for post-secondary pathways, careers, and civic engagement.

Mission

Transform K–12 education to a system that is centered on closing opportunity gaps and is characterized by high expectations for all students and educators. We achieve this by developing equity-based policies and supports that empower educators, families, and communities.

Values

- Ensuring Equity
- Collaboration and Service
- Achieving Excellence through Continuous Improvement
- Focus on the Whole Child

Equity Statement

Each student, family, and community possesses strengths and cultural knowledge that benefits their peers, educators, and schools.

Ensuring educational equity:

- Goes beyond equality; it requires education leaders to examine the ways current policies and practices result in disparate outcomes for our students of color, students living in poverty, students receiving special education and English Learner services, students who identify as LGBTQ+, and highly mobile student populations.
- Requires education leaders to develop an understanding of historical contexts; engage students, families, and community representatives as partners in decision-making; and actively dismantle systemic barriers, replacing them with policies and practices that ensure all students have access to the instruction and support they need to succeed in our schools.

Annual and Cycle Identification: What's the Difference?

Annual Identification

- Run annually
- **NOT** used to identify schools for WSIF supports
- Uses All-Schools Threshold for Tier 3 ID

Cycle Identification

- Run every three years
 - Cycle 1- 5 years
 - Cycle 2- 2 years
- Used to identify schools for WSIF support
- Uses Title I and an All-Schools Threshold for Identification
 - Title-I Threshold is used for compounding
- Includes addition stratification in tiers

9

Cycle Identification Calculation Changes

Compounding Requirements

- Used four Thresholds
- Balanced federal requirements with state accountability requirements
- Considered a school's 2023 Title I status

Thresholds

- All Schools Threshold (2.25)
- Title I Threshold (1.90)
- ELP Threshold (9.4%)
- Graduation Rate (66.7%)

Balance

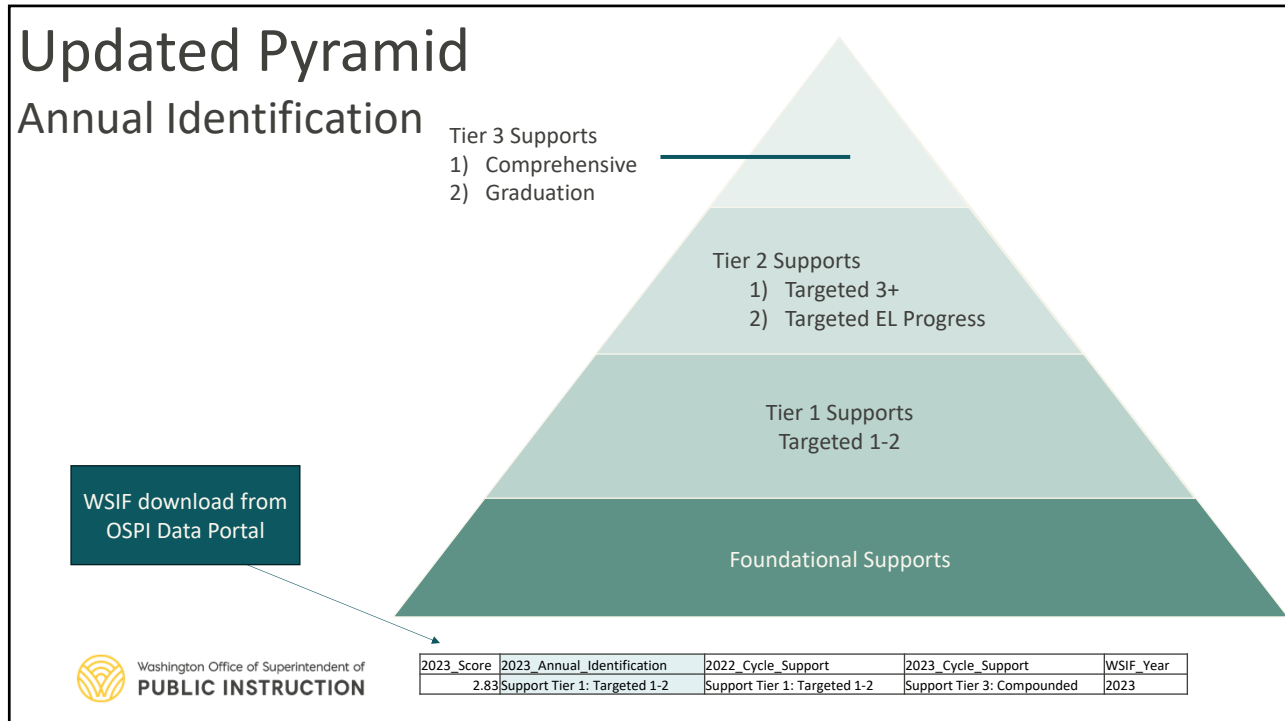

Requirements are not an ideal match

Title I

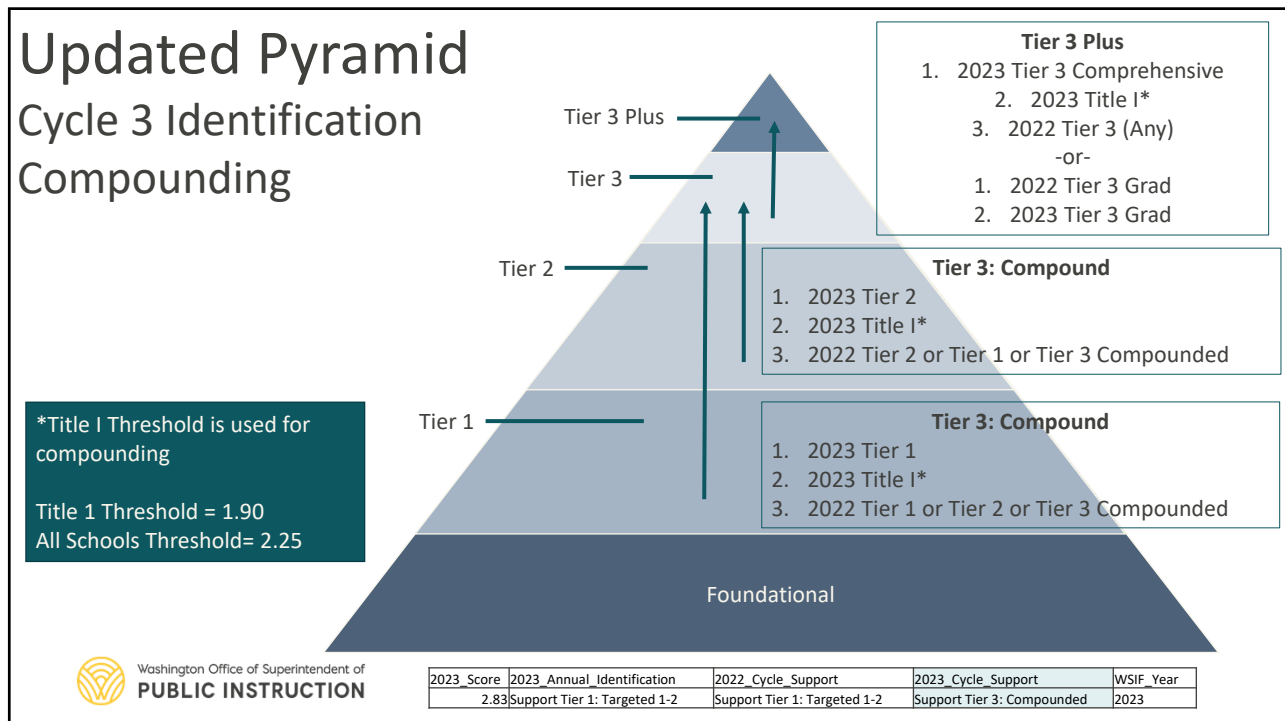

Only Title I schools were considered for compounding identification (exception with Tier 3: Graduation)
