QUESTION: Are you sure you want 500 LEAs surveyed since there are only about 450 virtual schools in the entire country?

ANSWER: Yes, as we believe that LEAs without a virtual schools are still accessing and using online instruction.

QUESTION: Do you want solely virtual schools or does the survey need to include LEAs with no virtual schools (this is not noted anywhere that I can find)?

ANSWER: We anticipate a combination, as we want to learn from those with a virtual program, those accessing virtual programs ad hoc, and those who are not yet accessing virtual programs, and why.

QUESTION: There is a discrepancy between the timeline start day between item 4. Scope of work which says that we would start in November and estimated contract period that indicates December. I am assuming start date is December.
