SCHOOL DISTRICT/CONTRACTOR CERTIFICATION

In accordance with Chapter 392-144 WAC, the above-named driver has been evaluated and I find that he/she:

1. Is physically able to maneuver and control a school bus under all driving conditions; and
2. Is physically able to use all controls and equipment found on state minimum specified school buses; and
3. Is physically able to perform daily routine school bus vehicle safety inspections; and
4. Has sufficient strength and agility to move about in a school bus as required to provide assistance to students in evacuating the bus.

WAC 392-144-102(5)(d) requires that a school bus driver be able to move from a seated position in a sixty-five passenger school bus, or the largest school bus the driver will be operating, to the emergency door, open the emergency door, and exit the bus through the emergency door, all within twenty-five seconds. The above-named driver complied with the provision by exiting a _____ passenger school bus in less than twenty-five seconds on this date: _____
