

Writing Name

Materials Needed:

Paper, crayons, markers, pencils, or pens

Directions:

Step 1: Ask your child to draw a picture of their favorite person or thing.

Step 2: Upon completion of the drawing, ask your child to sign the picture. Encourage your child to write their first and last name, as well as they are able on their own.

Step 3: If you are able to share your child's drawing during an online learning session with your child's teacher, encourage your child to talk about what they drew and why it's their favorite person or thing. If an online session is not possible, take a picture of the drawing and send it to your child's teacher with an explanation of what it is. Be sure to get their written name in the photo.
