

Community-Based Organizations (CBO) Grant to Support Student Learning Recovery and Acceleration Awardees

The Washington State Legislature has allocated \$12,885,000 of the Elementary and Secondary School Emergency Relief (ESSER) III funds through American Rescue Plan Act of 2021, for grants to community-based organizations (CBOs) to collaborate with Washington school districts to support learning recovery and acceleration. \$11,885,000 of these funds were available through the Community-Based Organizations (CBO) Grant to Support Student Learning Recovery and Acceleration. OSPI received 228 applications for these funds totaling more than \$58 million funds requested.
