### Students

cFitness Academy provides programs for students seeking alternative options, as well as those that need to recover credit. We offer health and PE courses (both original credit and credit recovery), anatomy & physiology, as well as a

variety of family and consumer science, fitness, and health career-based elective courses that are ideal for students interested in health sciences or sports or fitness-based careers.

### **Student-Teacher Contact Requirements**

Teachers are required to communicate with students on a minimum of a weekly basis. This contact may be by phone, email, or online meeting/ office hours. In meeting ALE requirements, students must also communicate with their teacher on a weekly basis via phone or digital communication.

### **Courseware Platform**

cFitness Academy uses the Buzz learning management system. We provide unique student and mentor logins.
