

Certificated Teacher Focused Summative Scoring Document

Criterion 3: Danielson Framework (2022)

The purpose of this document is to capture the progress over the course of the year and to facilitate a growth-focused conversation.

Teacher: _____	Grade Level(s): _____	Date: _____
Evaluator: _____	District/School: _____	School Year: _____
Comprehensive Evaluation Score*: _____	From School Year: _____	

*The final focus summative rating will be the same as the Comprehensive score unless it is a 3 and evidence during this evaluation period indicates a level 4 practice.

Criterion 3: Recognizing individual student learning needs and developing strategies to address those needs

	Unsatisfactory	Basic	Proficient	Distinguished
1b: Knowing and Valuing Students	The teacher lacks sufficient knowledge of students to support student learning or development.	The teacher’s knowledge of students’ identities, as well as their strengths and needs, partially supports learning and development.	The teacher’s knowledge of students supports learning and development, and enables the teacher to build upon student assets.	The teacher’s knowledge of students is extensive and fosters student learning and development to support academic and personal success.

3.2: Achievement of Student Growth Goal(s)	<p>The teacher provides evidence of student progress on the stated learning goal from only summative assessments.</p> <p>There is no evidence of student engagement in assessment of their own progress.</p> <p>There is no evidence of opportunities for students to share feedback on how they experienced the learning.</p> <p>The teacher does not provide evidence of reflecting on how the learning activities and instructional decisions impacted student learning progress.</p>	<p>The teacher provides evidence of student progress on the stated learning goal, which includes both formative and summative assessments.</p> <p>There is limited evidence of student engagement in assessment of their own progress.</p> <p>There is limited or no evidence of opportunities for students to share feedback on how they experienced the learning.</p> <p>The teacher reflects with supervisor on student learning progress overall, but not for specific students. The reflection may not establish how the learning activities and instructional decisions impacted student progress.</p>	<p>The teacher provides evidence of student progress on the stated learning goal, which includes both formative and summative assessments.</p> <p>There is evidence of student engagement in assessment and student monitoring of their own progress.</p> <p>There is evidence of opportunities for students to share feedback on how they experienced the learning.</p> <p>The teacher reflects with supervisor on the learning progress for the individual students in this group; the reflection includes an analysis of how the learning activities and instructional decisions impacted student progress.</p>	<p>The teacher provides evidence of student progress on the stated learning goal, which includes both formative and summative assessments.</p> <p>There is evidence of student engagement in assessment and student monitoring of their own progress.</p> <p>There is evidence of opportunities for students to share feedback on how they experienced the learning.</p> <p>The teacher reflects with supervisor on learning progress for the individual students in this group; the reflection includes an analysis of how the learning activities and instructional decisions impacted student progress.</p>

	Unsatisfactory	Basic	Proficient	Distinguished
	The teacher does not identify the next steps for instruction OR the next steps are uninformed by information about students' progress.	The teacher's identified next steps for instruction are uninformed by student progress and students' experience of learning.	The teacher uses information from student progress and students' experience of learning to guide their next steps for instruction.	<p>The teacher uses information from student progress and students' experience of learning to:</p> <ul style="list-style-type: none"> • Guide their next steps for instruction, and • Effect changes in instructional practice or professional learning beyond their own classroom or context.

Reflective Questions:
<p>As we look toward next year, do you feel that your practice would be enhanced by continuing with this criterion? Or, might it be time to consider further developing your skills with a different criterion?</p>
<p>Given your response to the previous question, what supports can I, as your evaluator, provide for you to maximize your growth next year?</p>

Both signatures required. Signing of this instrument acknowledges participation in but not necessarily concurrence with the evaluation. (Attach teacher comments if desired.)
