

Professional Transitions to the Public Schools: Initial ESA Certification

School Behavior Analyst, School Nurse, School Occupational Therapist, School Orientation and Mobility Specialist, School Physical Therapist, School Social Worker, School Speech-Language Pathologist or Audiologist Roles Only

Courses on this listing are approved by the Professional Educator Standards Board (PESB) for the roles indicated above. These approved courses satisfy the fifteen clock hours/one semester hour of course work required by [WAC 181-79A-224](#) for Initial Educational Staff Associate (ESA) certification purposes.

The approved courses prepare the candidate to:

- Demonstrate an understanding of school and special education laws and policies (national, state, and local) and their application to decision-making processes in the educational settings.
- Understand and demonstrate knowledge of working within the culture of the schools, creating an environment that fosters safety, health, and learning for the students.
- Demonstrate knowledge of appropriate resources in the school setting.
- Demonstrate knowledge of collaboration with team members which may include parents, teachers, administrators, and other to support learning outcomes for all students.
- Demonstrate knowledge of how to support the outcomes for all students through strategies such as scientific-based practices, collaborative teaming, and ethical decision making.
- Use professional standards to inform professional growth planning.
- Demonstrate an understanding of the use of human, community, and technological resources.

Applicants who meet all requirements other than the ESA course may be issued a temporary permit valid for up to one calendar year. The permit allows the ESA to serve in the role within the P–12 public schools of Washington state. Additional information and approval dates of courses are available on the [PESB website](#).
