Financial Fitness for Life (CEE)

“You want the child to grow up to be an independent, self-supporting individual who makes responsible, informed decisions. So do we! Just as CEE is the recognized national leader in teaching teachers how to make economics come alive in the classroom, we are grateful to have this opportunity to assist caring adults as teachers of economics that kids can use in their lives—all their lives.”

Grade(s): [Financial Fitness for Life K-5 Parent Guide](#)

Topics: Earning income, saving, spending, credit, money management

Grades(s) [Financial Fitness for Life 6-12 Parent Guide](#)

Money As You Grow: Help for parents and caregivers (CFPB)

Talking about money choices, big and small

“As you talk to your kids about money, *when* you talk to them is less important than *how* you talk to them. When you take into consideration where your children are in their financial development, you can talk to them about important events and build skills they’ll use later in life.”

Tips for talking about money with your young child, preteen, or teenager

- Topics:
- [Getting a Pet](#)
 - [Buying a Car](#)
 - [Paying with a Credit Card](#)
 - [Paying Your Bills](#) [Moving to a New House](#)

Money As You Grow Bookshelf for Parents and Caregivers

“Money as You Grow Bookshelf lets you build on the time you may already spend reading together, and helps you bring money topics to life through storytime.”

Ask CFPB

“We offer clear, impartial answers to hundreds of financial questions. Find the information you need to make more informed choices about your money.”
