

Functions of SEAC: The Special Education Advisory Council (SEAC) is established in order to help facilitate the provision of special education and related services to meet the unique needs of students eligible for special education services by [WAC 392-172A-07060](#):

- a) Advising the State Superintendent of Public Instruction and making recommendations on all matters related to special education and specifically advise the State Superintendent of unmet needs within the state in the education of students eligible for special education services.
- b) Commenting publicly on any rules or regulations proposed by the state regarding the education of students eligible for special education services.
- c) Advising the state in developing evaluations and reporting such information as may assist the state in its data requirements under section 618 of the Individuals with Disabilities Education Act (IDEA).
- d) Advising the state in developing corrective action plans to address findings identified in federal monitoring reports under Part B of the IDEA.
- e) Advising the state in developing and implementing policies relating to the coordination of services for students eligible for special education services.
- f) Reviewing state due process findings and decisions.

The SEAC Focus Areas for 2018-19 include:

- Special education funding
- Diversity, equity, and inclusion—institutionalized racism and ableism
- Discipline, restraint and isolation, and removal from the classroom
- Improving student outcomes and developing a growth mindset:
 - Review Graduation requirements and assessments.
 - Explore intersection of the High School and Beyond Plan and IEP Transition Plans.
 - Understand experiences and outcomes of students with higher incidence disabilities.
 - Exploring districts doing innovative work.
 - Review Learning Assistance Program (LAP) menus of best practices as they intersect with the SEAC work.
- Understanding experiences and outcomes for students with disabilities in the juvenile justice system, students experiencing homelessness, poverty, and students in the foster care system.
- Combined presentation of data Office of Education Ombuds (OEO), OSPI Special Education parent liaison, Citizen's Complaints, and Due Process decisions to better understand and identify trends in data.

OSPI provides equal access to all programs and services without discrimination based on sex, race, creed, religion, color, national origin, age, honorably discharged veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal by a person with a disability. Questions and complaints of alleged discrimination should be directed to the Equity and Civil Rights Director at 360-725-6162/TTY: 360-664-3631; or P.O. Box 47200, Olympia, WA 98504-7200; or equity@k12.wa.us.

To arrange accommodations for persons with disabilities, please contact the SEAC Executive Assistant at 360-725-6075, TTY 360-664-3631 or by email, SEAC@k12.wa.us within three business days of this event – February 7, 2018. Please note that the Americans with Disabilities Act (ADA) does not require OSPI to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

July 19, 2018

OSPI Special Education Priorities:

- 1.) Leadership to support students with disabilities (including increased collaboration and ownership regarding students with disabilities of school administrators and staff) and coordinated efforts with community organizations to improve results and reduce disproportionality
- 2.) Growth mindset and increasing expectations of students with disabilities (e.g., standards, instruction, graduation, assessments, attendance, and IEP-related decisions)
- 3.) Evidence-based instruction/interventions/practices within an MTSS framework leading to increased access and progress in Washington grade-level learning standards
- 4.) Common PD for general educators, special educators, paraeducators, administrators, and parents/families (e.g., IEP team members) addressing all of the above
- 5.) Resource allocation (braiding, consolidated application, reducing costs for administrative tasks, increasing direct support to students, data-based decision making)
- 6.) Teacher recruitment and retention (including teacher preparation programs for administrators, general educators, special educators, and related service providers) around instruction and support for students with disabilities, including all of the above
