An event hosted by the ESDs and required for schools identified for Tier 3 Plus, Tier 3, and Tier 2 supports. The event is tailored for building and district leadership as well as school and district personnel directly involved in continuous system and school improvement.

September 2023- Fall Outreaches for ESDs 105, 121, and 171

An event hosted by the ESDs and required for schools identified for Tier 3 Plus, Tier 3, and Tier 2 supports. The event is tailored for building and district leadership as well as school and district personnel directly involved in continuous system and school improvement.

October 2023- Fall Outreach for ESD 105

An event hosted by the ESDs and required for schools identified for Tier 3 Plus, Tier 3, and Tier 2 supports. The event is tailored for building and district leadership as well as school and district personnel directly involved in continuous system and school improvement.

October 31, 2023- OSSI Improvement Grant Application Deadline

The application deadline for all 2023–24 OSSI Continuous School Improvement Grants is Tuesday, October 31, 2023. After that date, funds designated for schools who have not submitted their full application will be reallocated to other grantees and no longer available. Please refer to the [OSSI Grants Fact Sheet 2023-24](#) for more information.

Winter 2024

February 2, 2024- Mid-Year Progress Monitoring Submission for Tier 3 Plus and Tier 3 Schools

Tier 3 and Tier 3 Plus schools upload their completed Mid-Year Progress Review (MYPR) into their school's SharePoint folder.

LEA's will work with Tier 2 schools to progress monitor and review School Improvement Plans as per ESSA and the LEA-Consolidated Accountability Plan (L-CAP) that was submitted to OSSI.

Spring 2024

March 2024- Spring Outreaches- Dates TBD

An event hosted by the ESDs and required for schools identified for Tier 3 Plus, Tier 3, and Tier 2 supports. The event is tailored for building and district leadership as well as school and district personnel directly involved in continuous system and school improvement.

March 2024- Cycle 3 2023 WSIF- More information to come.

June 28, 2024- Tier 3 and Tier 3 Plus End of Year Progress Monitoring Submission

Tier 3 and Tier 3 Plus schools upload their completed End of Year Progress Review (EOYR) into their school's SharePoint folder.

LEA's will work with Tier 2 schools to progress monitor and review School Improvement Plans as per ESSA and the LEA-Consolidated Accountability Plan (L-CAP) that was submitted to OSSI.
