Tribal Land Acknowledgement

*I would like to acknowledge the Indigenous people who have stewarded this land since time immemorial and who still inhabit the area today, the **Stah-Chass Band of Indigenous people** of the **Squaxin Island Tribe**, who are descendants of the maritime people who lived and prospered along the shores of the southernmost inlets of the Salish Sea for untold centuries. Because of their strong cultural connection with the water, they are also known as the **People of the Water**.*
