

Do You Want to Build a Snowman

Attendance Challenge

- 1) **Materials are [here](#) and [here](#).**
 - a. Print each piece on a colored paper and cut them out.
 - b. The eyes and mouth are made using a Black Sharpie.
- 2) Attendance Challenge runs for **10 school days**.
- 3) Classrooms or grades compete to build a snowman by earning a piece of the snowman each day.
- 4) Divide your bulletin board to accommodate however many classes/grades snowmen there will be.
- 5) **Select** the Attendance Percentage threshold to earn a piece. **For example:** *Any class with 90% or better attendance for the day earns a piece.*
- 6) A report will need to be run daily to determine who earns a snowman piece.
- 7) It is suggested to **announce daily** the classes or grades that achieved the threshold and earned a piece. This increases awareness/engagement.
- 8) **Pieces to be earned in order:**
 - a. Bottom Ball
 - b. Middle Ball
 - c. Top Ball
 - d. Eyes
 - e. Nose
 - f. Mouth
 - g. Arm 1
 - h. Arm 2
 - i. Scarf
 - j. Hat
- 9) The class/grade(s) with the most complete snowman wins and receives a prize. **Example:** extra recess, class party, etc.
- 10) Make sure to compare the pre-challenge attendance data to the challenge data to evaluate it's efficacy.
