Foster Care or McKinney-Vento?

In 2015, with the authorization of <u>Every Student Succeeds Act (ESSA)</u>, the phrase "awaiting foster care" was completely removed from McKinney-Vento Education of Homeless Children and Youth Assistance Act. ESSA includes separate provisions for students in foster care, which are very similar to McKinney-Vento. Aside from the exceptions noted below, students in foster care do not qualify as McKinney-Vento eligible.

So which program is the right one for your student's situation?

Foster Care McKinney Vento In WA, students under the placement and care Students experiencing homelessness, defined by the McKinney-Vento Act as "individuals who lack a authority of the Division of Children, Youth, and fixed, regular, and adequate nighttime residence." Exceptional Situations

There are occasions when a student in foster care may also qualify as experiencing homelessness:

- Student was identified and served under MV prior to placement in foster care,
- Student has run away from their foster care placement,
- Student is placed in a shelter¹, or
- Student is placed with a family who also meets the definition of homelessness according to the McKinney-Vento Act

These students should be dually qualified for both foster care and McKinney-Vento.
