- 2) Questions related to technical support (log-in issues, adding max number of users, etc.): [EGMS.Support@k12.wa.us](mailto:EGMS.Support@k12.wa.us)
- 3) Questions related to grants: OSPI contacts can be found in the overview tab of the grant application. See screenshot below. We will also add OSPI contacts to the Grants tab and Awards soon.

The screenshot displays the 'Applications' overview page in the EGMS system. It includes sections for 'Information', 'Announcement Overview', 'Application Overview', and 'OSPI Contacts'. The 'OSPI Contacts' section is highlighted and shows a table of contact information.
