*Program and revenue numbers can be found on the bottom of the payment request. It will also be added soon to the Overview tab of the Announcement under "Other Related Information".

**Valid program activities are no longer required to be communicated since they can be set up on the back end in EGMS by OSPI and subrecipients are, therefore, only able to budget/claim expenditures under these applicable allowable activities.

***OSPI contacts can be found in the Overview tab of the Application. We are also looking at adding them to the Grants tab.
