## PURPOSE

During the 2022 legislative session, the Legislature passed Engrossed Second Substitute House Bill (E2SHB) 1153, which concerns language access for families and communities in public schools. Sections of this bill include requirements for Local Education Agencies (LEAs) regarding language access policies and procedures, language access plans and programs, data collection elements, and designated liaisons and coordinators. Portions of these requirements are tied to student enrollment and characteristics and therefore may change each school year. This bulletin lists the LEAs subject to each set of requirements for the 2024–25 school year.

## Exempt Districts

According to [RCW 28A.183.040](#) Sec. 5, school districts with both fewer than 1,000 enrolled students and less than 10% English learner (EL) enrollment are exempted from the language access liaison, policy, procedure, and coordinator requirements.
