- Immediately upon filing.
- Later (specify) _____

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes
 - No
- If Yes, explain:

Purpose: OSPI is adopting emergency rulemaking in the area of student discipline with revisions that are intended to: (1) update statutory definitions of discipline that are in alignment with current law; (2) require school boards to establish policies for reporting and notification when classroom exclusions occur; (3) clarify the scope of authority for teachers when administering classroom exclusions; (4) make evident the standards and procedures that educators must follow to maintain an optimal learning environment for all students; (5) promote the involvement of families as integral partners in helping students to be successful, and (6) ensure manageable data and reporting requirements from each level of the system, where applicable (i.e., classroom, school, district, state, etc.). Adopting these rule updates before the beginning of the 2024-2025 school year would allow these critical changes involving the health and safety of both students and educators to take effect immediately.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The timing of the COVID-19 pandemic disrupted the planned comprehensive roll-out of revised student discipline rules and professional development for educators at all levels of the K-12 education system. Unclear sections of the rules, coupled with new challenges in student behavior and mental health following the pandemic, require immediate intervention to preserve the K-12 instructional environment as students and educators return to the classroom this fall. OSPI is also replacing the prejudicial term “emergency expulsion” with the term “emergency removal” in the context of student discipline in compliance with legislative mandates under RCW 28A.600.495.

OSPI will soon initiate permanent rulemaking concerning these clarifications.
