

Washington OER Hub:

Overview and New Resource Highlights

Washington OER Hub

Washington's platform for sharing K-12 open educational resources – providing equitable access to standards-aligned, high-quality instructional materials.

The Washington OER Hub is an online library of free, high-quality PreK–12 learning and teaching materials created by and curated for Washington educators.

1 clock hour provided for Washington educators.

What to expect

- Review the Washington OER Hub.
- Learn how to search for, save, and adapt grade-specific, standards-aligned, resources.
- Explore new supplemental instructional material developed by OSPI contractors, grantees, and collaborators. We'll highlight resources across different content areas and grade bands.

Who should attend?

- PreK-12 Teachers
- Instructional Coaches/TOSA
- ESD Partners
- Curriculum Directors
- Teacher-Librarians
- District and Building Administrators
- IT Directors/Technology Specialists
- Family and community members supporting student learning
