

A Free, Powerful, Interactive MATH RESOURCE

Math Nation partners with districts and schools to revolutionize math education in Washington. Our approach combines cutting-edge technology with tried-and-true teaching methods to help students achieve their full potential.

And the best part? Our digital resources for 6-8th Grade Math, Algebra 1, Geometry, and Algebra 2 are absolutely free to Washington schools thanks to funding from the Office of Superintendent and Public Instruction.

Math Nation's innovative online tools, used both in and out of the classroom, are **helping remediate learning loss and boosting math scores for all students in 6-8th Grade Math, Algebra 1, Geometry, and Algebra 2.**

Give your students access to personalized differentiation tools that will help them succeed like never before, such as:

- Personalized Remediation Tools
- Engaging Videos
- Interactive, Digital Student Workbooks
- 24/7 Access to Virtual Tutoring
- Unlimited Digital Practice Tools
- Unlimited Support for Teachers
- Community Resources
- Family Support Resources
- Mobile Apps with Offline Access

All inclusive support for **Washington Mathematics K-12 Learning Standards-aligned 6-8th Grade Math, Algebra 1, Geometry, and Algebra 2**
