EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The emergency rules are necessary to ensure eligible students can participate in running start at enrollment levels provided for in HB 1316. Emergency rules are needed to ensure requirements for student enrollment calculations, reporting, and program administration are effective by the beginning of the 2023-2024 school year.

OSPI will also conduct permanent rulemaking concerning running start.
