EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The emergency rules are necessary to ensure students participating in College in the High School programs are not required to pay fees as provided in SB 5048 during the 2023-2024 school year.

OSPI will also conduct permanent rulemaking concerning College in the High School (chapter 392-725 WAC).
