Student Information Report Card Release Schedule

The state Report Card reports for Student Information are published on an annual cycle typically in four releases throughout the school year. The release in which a certain report is scheduled is based primarily on legislatively required timelines and data availability. Except October Enrollment and Kindergarten Readiness, each report is based on data from the prior school year.

Release 1 (September):

- Assessment
- English Language Assessment
- Student Growth

Release 2 and 3 (January)

- October Enrollment (preliminary)
- Graduation
- Regular Attendance
- Ninth Grade on Track
- Dual Credit
- Discipline
- Exclusionary Days
- Kindergarten Readiness (preliminary)

Release 4 (June)

- October Enrollment (final)
- Kindergarten Readiness (final)

Finance Report Card Release Schedule

Release 1 (February)

- Actual expenditures summary
- Actual expenditures by accounting codes

Educator Report Card Release Schedule

The state Report Card reports for Educator Research, Data, and Development are published annually in January. This release timeline is based on data availability and includes data from the prior school year.

- Teacher Count and Class Size
- Teacher Demographics
- Teacher Education
- Teacher Experience
- Teacher Certification
- Teacher Qualification
- Administrators
- Student Access Rate to Teachers by Student Demographics
- Student Access Rate to Teachers by Student Program and Characteristics
