**Purpose:** OSPI is adopting rulemaking to extend the apportionment advance request and payout periods for school districts and charter schools, and to establish requirements for repayment assurance and apportionment advance repayment schedules for funds received. As a result of enrollment declines, expiring access to federal COVID relief, unanticipated rise in uncontrollable costs, and other unforeseen events, many districts have experienced unprecedented financial difficulties. Extending the apportionment request, payout, and repayment periods would allow districts to access funds that are essential for the continuity of operations, maintenance, and other education services.
