Purpose of the proposal and its anticipated effects, including any changes in existing rules: The Office of the Superintendent of Public Instruction is proposing to revise WAC 392-157-125 to better align with State Auditor performance audit results, leading research, and national best practices by requiring a minimum seated lunchtime of twenty (20) minutes in K-12 public schools.

Reasons supporting proposal: Requiring a minimum seated lunchtime of twenty (20) minutes in K-12 public schools under WAC 392-157-125 would allow for specific guidance that aligns with recommendations from education and nutrition groups, national best practices, and State Auditor performance audit results. Additionally, adopting a minimum seated lunchtime requirement would ensure uniform standards across Washington state schools.
