Overview

Founded in 2011, Accelerate Education is an accredited, online private school that provides online courses to students ranging from kindergarten through twelfth grade. We serve a large variety of students from learners enrolled full-time in our academic programs to learners taking individual courses to fulfill their own unique needs.

With over 180 different online course offerings, including over 25 Advanced Placement and honors classes and over 30 electives/career electives, Accelerate Education has an extensive curriculum offering. This extensive curriculum offering in multiple areas of interest allows students to take what they need, what they enjoy, and what they wish to explore.

Overall, Accelerate Online Academy uses effective learning tools, innovative and interactive lessons, highly qualified teachers, and a dedicated staff to successfully educate students in an online medium and we take pride in doing so.

Student-Teacher Contact Requirements

Accelerate Education was built on the premise that instruction needs to be flexible to meet the needs of the ever increasing diverse population of students. To be effective our courses and instruction model provide flexibility in the offering type, learning environment, delivery method, and instructional model. Courses are delivered primarily through asynchronous lessons and activities, but uses synchronous methods as needed to provide flexibility with individual student schedules. Our courses are open to enrollment all year round. Students are provided multiple opportunities for student-teacher interaction in both individual and group format. Accelerate Online Academy courses are designed to be implemented in various instructional settings whether it is online or face-to-face.
