Overview

Bellevue Digital Discovery is the 30th School in Bellevue School District. Our new online school is a Choice School. We offer an online K-12 learning option for students.

Grades K-6 follow the Continuous Learning 2.0+ model. Students have BSD homeroom teachers and BSD elementary specialists. 70% of the school time is synchronous online instruction with real-time instruction between students and their BSD teachers.

Grades 7-12 follow the Alternative Learning Experience (ALE) instructional model. Our 7-12 program includes a partnership with Imagine Edgenuity and allows significant flexibility in where and when students engage in their learning. Students also attend Academic Seminar with four synchronous lessons taught by BSD teachers per week. The BSD teacher checks in with students, answers any questions about the program and the curriculum, and evaluates their progress.

Absences and Tardies (late arrival or early leave)

If your student will be absent or late, please call the school at 425-456-4045 or email DigitalDiscoveryAttendance@bsd405.org. Please refer to Bellevue School District Policy 3122 for more details on what constitutes an excused absence/tardy or an unexcused absence/tardy.

Excused/Unexcused Absences

Information regarding Excused/Unexcused absences can be found at policy 3122. For planned vacations, please fill out a Pre-Arranged Form. Filling out the form does not guarantee that the absence will be accepted as excused. You may obtain a form on our school website. We strongly discourage families from taking vacations during school days. Research shows every absence has an impact on your child and his/her classroom, and extended absences have been shown to have a negative impact on a student's education.

Late Arrival and Early Dismissal (Tardies)

Students must be logged into the online meeting ready to learn at the start of each meeting.
