Overview

Edmentum's EdOptions Academy is a fully accredited student-centered kindergarten through career virtual learning experience that pairs research-based online curriculum with state-certified online teachers. With 500+ courses including all core subjects, a robust variety of electives, advanced courses, and CTE options—as well as optional Student Success Coaches, IEP/504 plan support and instruction, and online tutoring—EdOptions is uniquely equipped to expand options and increase access to learning for all students including those who require flexible schedules, are hospital or homebound, and students with emotional and/or behavioral needs. EdOptions Academy also offers coaching and support through professional development, virtual teacher mentoring, and grading service, helping districts utilize their own teachers in their virtual learning programs.
