Certification regarding Suspension, Debarment, Ineligibility and Voluntary Exclusion Contracts/Subcontracts

Each vendor whose contract equals or exceeds \$25,000 in federal monies must sign this debarment certification prior to contract execution. Sponsors cannot contract with vendors if they are debarred or suspended by the Federal Government.

1. This certification is a material representation of the fact upon which reliance is placed when this contract is entered. If it is later determined that the signed knowingly rendered an erroneous certification, the Federal Government may pursue available remedies, including suspension and/or debarment.
2. The vendor shall provide immediate written notice to the Institution if the vendor learns that its certification was erroneous when submitted or has become erroneous due to changed circumstances.
3. The terms "debarred," "suspended," "ineligible," "person," "principal," and "voluntarily excluded," as used in this certification, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 and 45 CFR (Code of Federal Regulations), Part 76. Vendors may contact the Institution or OSPI for assistance in obtaining a copy of these regulations.
4. The vendor further agrees by submitting this certification that it shall not knowingly enter any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in Federal Government contracts.
5. The vendor further agrees by submitting this certification that it will require each subcontractor of this contract whose payment will equal or exceed \$25,000 in federal monies, to submit a signed copy of this certification with each contract.
6. CACFP Sponsors (Institutions) may rely upon a certification of a provider that is not debarred, suspended, ineligible, or voluntarily excluded from contracting/subcontracting unless it knows that the certification is erroneous.

This certification is required by the regulation implementing Executive Order 12549, Suspension and Debarment, signed February 18, 1986. The guidelines were published in the May 29, 1987, Federal Register (52 Fed. Reg., pages 20360-20369)

- a) The prospective vendor certifies, by signing this certification, that neither she/he nor her/his principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in contracting with any federal department or agency.
- b) Where the prospective vendor is unable to certify to any of the statements in this certification, such prospective vendor shall attach an explanation to this certification.
