

OSPI Summer Meal Programs Reference Sheet

Seamless Summer Option

The Seamless Summer Option (SSO) is one of the Child Nutrition Programs funded by the United States Department of Agriculture (USDA). In Washington State, the Office of Superintendent of Public Instruction (OSPI) Child Nutrition Services (CNS) administers the program. The SSO combines features of the National School Lunch Program (NSLP), School Breakfast Program (SBP), and (SFSP) Summer Food Service Program.

Requirements

- SSO is operated by public or private Local Education Agencies (LEAs) who operate the NSLP during the school year.
- Meals must be served in low-income communities where at least 50 percent of children are eligible for free and reduced-price meals or in other locations where at least 50 percent of the children are enrolled in a specific program are eligible for free and reduced-price school meals.
- Children 18 years of age and younger are eligible to participate in the program.
 - Persons over 18 years old who are physically or mentally disabled and participating in a public or nonprofit private school program established for children with these disabilities may also participate in this program.
- SSO may not be restricted to summer school students only.

Sponsor Responsibilities

- Select appropriate sites in low-income areas (areas with $\geq 50\%$ of children are eligible for free and reduced-price meals at school).
- Submit and have approved an agreement/application to OSPI.
- Ensure all staff involved in the operation of the SSO are properly trained.
- Ensure all sites are properly monitored and meals served meet NSLP/SBP meal pattern requirements.
- Maintain accurate meal count and production records to substantiate allowable costs and the number of reimbursable meals both planned and served.
- Submit a claim for reimbursement.

Program Meals

- Follow the NSLP, SBP and Afterschool Snack Program meal pattern requirements as applicable.
- Up to two meal types may be served daily.
