

Career and Technical Education Experience Route: Business and Industry Certification

Candidates for Career and Technical Education certification under Business and Industry work experience route ([WAC 181-77-041](#)) [Initial Career and Technical Educator \(CTE\) Certificate](#). See the Business and Industry (Specialty Program Areas) Requirements below for more information.

A total of 6,000 hours of experience is required; 2,000 hours MUST be occupational industry experience (non-teaching). Candidates may use up to 4,000 hours of teaching experience in the related Career and Technical Education Specialty program area(s). If ANY of the 2,000 hours is more than six years old, 300 hours of industry experience is required in the past two years.

The Business and Industry route program **will NOT gain** the CTE Agriculture V010000, CTE Business and Marketing Ed V078000, CTE Family and Consumer Science Ed V200002, or CTE Technology Ed V210100 endorsements.
