

Sole Source Notification

Imagination Library Program

It is the intent of Washington State to promote open competition and transparency for all contracts for goods and services. In accordance with Department of Enterprise Service (DES) policy #DES-140-00, all intended sole source contracts must be made available for public inspection for a period of not less than fifteen (15) working days before the start date of the contract. This Sole Source Notification satisfies the requirement.

This Sole Source Notification is available at the [Office of Superintendent of Public Instruction \(OSPI\) website](#) and at the Department of Enterprise Services, [Washington Electronic Business Solution \(WEBS\) Procurement website](#) under the following commodity codes: 956-38: Library Services; 924-18: Alternative Educational Services.

The Office of Superintendent of Public Instruction (OSPI) intends to offer a \$215,000 sole source contract with United Ways of the Pacific Northwest (Contractor/UWPNW) for management of the Dolly Parton Imagination Library (DPIL) in Washington. The proposed term of this contract is June 30, 2025.

The Dolly Parton Imagination Library is a proven early learning, book gifting program that provides free, age-appropriate, high-quality books to children ages zero to five no matter their family's income. Books are mailed monthly to all registered children, at no cost to the child's family. The DPIL model works by establishing a partnership with a state-level partner organization (the United Ways of the Pacific Northwest in this case) who establishes statewide affiliate programs (e.g., libraries, community-based organizations, local United Way chapters, etc.) that typically contribute a 50% match with state funding. This proposed contract seeks to cover up to 100% of the costs of the affiliate groups identified by the Imagination Library of Washington. The Contractor is responsible for statewide expansion of the DPIL, administering funds covering book costs, and developing statewide engagement. The DPIL covers book fulfillment and subsidizes overhead and administration costs.

Under this contract, United Ways of the Pacific Northwest will continue implementation of the statewide Imagination Library including outreach/launch strategy and collaboration with other statewide partners and other organizations that engage in the distribution of books to families.

Consultants contemplating the above requirements shall submit capability statements detailing their ability to meet the state's requirements **no later than 3:00 pm on Friday, June 6, 2024.**

Washington Office of Superintendent of
PUBLIC INSTRUCTION

Capability statements must address the following state requirements:

- Existing partnership with the DPIL, Dollywood Foundation, and local program affiliates throughout Washington
- Process in place to enroll children in the Imagination Library of Washington
- Mechanisms in place to provide invoices and reporting for book distribution
- Continuity in existing program design to avoid any negative impact on support for Washington's youngest learners

In the absence of other qualified sources, and pending approval by the Department of Enterprise Services, it is OSPI's intent to make a sole source award of the contract mentioned above to United Ways of the Pacific Northwest.

Although this Sole Source Notification is not an invitation to bid, if you feel your firm is able to provide the goods or services listed above, you may submit a capability statement to:

Attachment 1 – Sole Source Contract Filing Justification

Specific Problem or Need

- *What is the business need or problem that requires this contract?*

Early access to reading is a critical foundational building block for all children, and the growth of the Imagination Library of Washington program from December 2021 to June 2024, made a huge difference in the way we support our learners before kindergarten. In 2023 alone, the program delivered more than 780,000 books to nearly 115,000 of our state's youngest learners. The success and impact of this work cannot be overstated.

Due to a rapid expansion in 2023, the Imagination Library of Washington program is facing a gap in funding in June 2025, that, if not addressed, will prevent the organization from being able to sustain the current level of programming. This one-time funding is intended to cover the projected gap in the state matching dollars so that the current level of programming is sustained and none of our learners and their families are impacted.

Sole Source Criteria

- *Describe the unique features, qualifications, abilities or expertise of the contractor proposed for this sole source contract.*

Dolly Parton first launched the Imagination Library in her home county of East Tennessee in 1995. Since its launch, Dolly Parton's Imagination Library has set and surpassed many goals and milestones. National replication, which started in 2000, allowed more and more communities to adopt the program. State-wide coverage was established in Tennessee in 2004. Furthermore, international growth provided expansion in Canada, United Kingdom, and Australia. The first book order in 1995 totaled just over 1,700. Today, Dolly Parton's Imagination Library sends more than one million books per month to children around the world inspiring them to Dream More, Learn More, Care More and Be More.

UWPNW is the current lead organization of the Imagination Library of Washington, Washington partner of the Dolly Parton Imagination Library (DPIL). They were chosen for this role by the state agency leads Washington Department of Children, Youth, & Families and OSPI. They led the expansion effort bringing the program into every county in Washington under contract with OSPI from December 2021 to June 2024. In 2023 the program delivered more than 780,000 books to nearly 115,000 of our state's youngest learners, and in the 2024 Winter Quarter alone, the program delivered more than 360,000 books to nearly 122,000 children.

UWPNW can generate funding and organizational support for the Imagination Library effort and has trained staff specifically focused on this purpose. They are experienced in the implementation of the DPIL, have existing collaborative partnerships with affiliates across the state, and have mechanisms in place for all the enrollment, invoicing, and reporting processes. They have expertise in recruiting and working with partners to develop and make public presentations to community civic clubs, corporate supporters, and collaborators, specifically emphasizing program awareness in high needs regions of the state. This continuity in leadership for the Imagination Library of Washington is critical.

- *What kind of market research did the agency conduct to conclude that alternative sources were inappropriate or unavailable? Provide a narrative description of the agency's due diligence in determining the basis for the sole source contract, including methods used by the agency to conduct a review of available sources such as researching trade publications, industry newsletters and the internet; contacting similar service providers; and reviewing statewide pricing trends and/or agreements.*

As a condition of the program, implementation of the DPIL at a statewide level requires a non-profit statewide partner to lead the work, therefore, OSPI cannot coordinate this effort on our own.

Reach Out and Read is also a book gifting program that partners with pediatricians; however, they do not deliver books directly to the home. Program participation is based on a well-child medical visit. UWPNW has committed to working in collaboration with Reach Out and Read and other organizations that engage in the distribution of books to families to leverage efforts.

- *As part of the market research, include a list of statewide contracts review and/or businesses contacted, date of contact, method of contact (telephone, mail, e-mail, other), and documentation demonstrating an explanation of why those businesses could not or would not, under any circumstances, perform the contract; or an explanation of why the agency has determined that no businesses other than the prospective contractor can perform the contract.*

A search for existing comparable statewide contracts related to book distribution yielded no results. A search through the list of OMWBE contractors listed with human services commodity code (952-59) showed none fill our need. Having exhausted statewide contracts and OMWBE resources, a search was conducted for all contractors with the following terms: book distribution, book donation, book, distribution, and deliver. Mail service statewide contract 01214 does provide delivery services; however, it does not address participation in the book program or coordination with non-profit organizations.

- *Per the Supplier Diversity Policy, DES-090-06: was this purchase included in the agency's forecasted needs report?*

No.

- *Describe what targeted industry outreach was completed to locate small and/or veteran-owned businesses to meet the agency's need.*

The vendor's profile in the WEBS system indicates the chosen contractor is a Washington-based small business. A search of all OMWBE human services contracts showed no other sources exist that are able to perform the scope of work in this contract.

- *What considerations were given to unbundling the goods and/or services in this contract, which would provide opportunities for Washington small, diverse, and/or veteran-owned businesses. Provide a summary of your agency's unbundling analysis for this contract.*

OSPI's unbundling analysis indicates that this effort is unlikely to unbundle due to the program's unique nature, such as necessary collaboration with statewide non-profit affiliates in a prescribed book gifting program from the Dolly Parton Imagination Library. It is vital to program success to have one main contractor coordinating efforts across affiliate groups. Additionally, unbundling the services would cost more, and result in the need for OSPI to contribute management and coordination of program components, which the agency does not have bandwidth to handle.

- *Provide a detailed and compelling description that includes quantification of the costs and risks mitigated by contracting with this contractor (i.e. learning curve, follow-up nature).*
United Way of Pacific Northwest is already administering the Imagination Library program in all counties throughout Washington. Another contractor would need to learn Imagination Library's program and its organization and tracking methods, establish a relationship with the Dollywood Foundation, and local program affiliates throughout Washington which would take time, which correlates to additional resources. This could not be accomplished within the Fiscal Year.
- *Is the agency proposing this sole source contract because of special circumstances such as confidential investigations, copyright restrictions, etc.? If so, please describe.*
No.
- *Is the agency proposing this sole source contract because of unavoidable, critical time delays or issues that prevented the agency from completing this acquisition using a competitive process? If so, please describe. For example, if time constraints are applicable, identify when the agency was on notice of the need for the goods and/or service, the entity that imposed the constraints, explain the authority of that entity to impose them, and provide the timelines within which work must be accomplished.*
No.
- *What are the consequences of not having this sole source filing approved? Describe in detail the impact to the agency and to services it provides if this sole source filing is not approved.*
The Imagination Library of Washington program is facing a gap in funding in June 2025, that, if not addressed, will prevent the organization from being able to sustain the current level of programming. These funds are intended to cover the projected gap in the state matching dollars so that the current level of programming is sustained and none of our nearly 115,000 learners currently enrolled in the program are impacted.

Reasonableness of Cost

- *Since competition was not used as the means for procurement, how did the agency conclude that the costs, fees, or rates negotiated are fair and reasonable? Please make a comparison with comparable contracts, use the results of a market survey, or employ some other appropriate means calculated to make such a determination.*
The majority of costs for this contract supplement state matching funds for book distribution and are calculated based on numbers of delivered books. The Dolly Parton Imagination Library is active in the United States, Canada, United Kingdom, Australia, and Ireland, thus, procurement, tracking, and delivery methods have been evaluated extensively and designed to maximize cost and efficiency. The Dolly Parton Imagination Library already covers book fulfillment and subsidizes overhead and some

administration costs, reducing state costs for the Imagination Library program tremendously.

The remaining contract funds are directed toward the contractor for reasonable costs for administration and outreach of the program.

Contractor must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Contractor shall require its subcontractors to certify compliance with this provision.

Change in Status.** In the event of substantive change in the legal status, organizational structure, or fiscal reporting responsibility of the Contractor, Contractor agrees to notify the Superintendent of the change. Contractor shall provide notice as soon as practicable, but no later than thirty (30) days after such a change takes effect.

The Contractor agrees to release such information or material only to employees and agents who have signed a written agreement expressly prohibiting disclosure or usages not specifically authorized by this Contract.

If the Contractor would like to limit these pre-existing portions of the work to [non-commercial use](#), the [Creative Commons Attribution-NonCommercial](#) (preferred) or [Creative Commons Attribution-NonCommercial-ShareAlike](#) licenses, version 4.0 or later, are acceptable for these specific sections.

The Contractor warrants and represents that Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to apply such a license.

The Contractor shall exert all reasonable effort to advise the Superintendent, at the time of delivery of data furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Superintendent shall receive prompt written notice of each notice or claim of infringement received by the Contractor with respect to any data delivered under this Contract. The Superintendent shall have the right to modify or remove any restrictive markings placed upon the data by the Contractor.

15. Covenant Against Contingent Fees. The Contractor warrants that no person or selling agent has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agent maintained by the Contractor for the purpose of securing business. The Superintendent shall have the right, in the event of breach of this clause by the Contractor, to annul this Contract without liability or, in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fees.

As alternatives to the above Dispute Board process: (1) if the dispute is between two or more state agencies, any one of the agencies may request intervention by the Governor, as provided by 43.17.330 RCW, in which event the Governor's process shall control; and, (2) if the dispute is between a non-state agency and another state agency or non-state agency party to this Contract, all the disputing parties may mutually agree to mediation prior to submitting the dispute to a Dispute Board in the event the dispute is not resolved pursuant to mediation within an agreed-upon time period.

17. Duplicate Payment. The Superintendent shall not pay the Contractor, if the Contractor has charged or will charge the state of Washington or any other party under any other contract or agreement, for the same services or expenses.

18. Electronic signature. Any signature page delivered via fax machine or electronic image scan, receipt acknowledged in each case, shall be binding to the same extent as an original, wet ink signature page. Any Party who delivers such a signature page agrees to later deliver an original counterpart to any Party which requests it.

19. Entire Agreement. This Contract contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any of the parties hereto.

20. Ethical Conduct. Neither the Contractor nor any employee or agent of the Contractor shall participate in the performance of any duty or service in whole or part under this Contract in violation of, or in a manner that violates any provision of the Ethics in Public Service law at Chapter 42.52 RCW, RCW 42.17A.550, RCW 42.17A.555, and 41.06.250 prohibiting the use of public resources for political purposes.

Contractor represents and warrants that it complies fully with all applicable procurement ethics restrictions including, but not limited to, restrictions against Contractor providing gifts or anything of economic value, directly or indirectly, to the Superintendent's employees.

21. Governing Law and Venue. This Contract shall be construed and interpreted in accordance with the laws of the State of Washington and the venue of any action brought hereunder shall be in Superior Court for Thurston County.

22. Indemnification. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the Superintendent and all officials, agents, and employees of the Superintendent, from and against all claims for injuries or death arising out of or resulting from the performance of this Contract. "Claim" as used in this Contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Additionally, "claims" shall include but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or in unlawful restraint of competition. Contractor's obligation to indemnify, defend and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the Superintendent for any claim out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, or hold harmless the Superintendent shall not be eliminated or reduced by any actual or alleged concurrent negligence by Superintendent or its agents, employees, or officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless Superintendent and its agents, employees, or officials.

23. Independent Capacity of the Contractor. The parties intend that an independent Contractor relationship will be created by this Contract. The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the Superintendent. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the

Superintendent or of the state of Washington by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

24. Insurance.

- a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Contractor's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:

- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;
- 2) Purchase worker's compensation and occupational disease insurance benefits to employees in full compliance with all applicable laws, statutes, and regulations, but only to the extent such coverage is not provided under mandatory governmental program in "a" above, and/or;
- 3) Maintenance of a legally permitted and governmentally approved program of self-insurance for worker's compensation and occupational disease.

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the Superintendent, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and occupational disease laws, statutes, and regulations and the Superintendent incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the Superintendent for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the Superintendent by the Contractor pursuant to the indemnity may be deducted from any payments owed by the Superintendent to the Contractor for the performance of this Contract.

- b. **Proof of Insurance.** Certificates and or evidence satisfactory to the Superintendent confirming the existence, terms and conditions of all insurance required above shall be delivered to the Superintendent within five (5) days of the Contractor's receipt of Authorization to Proceed.

- c. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

25. Licensing and Accreditation Standards. The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

26. Limitation of Authority. Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of this Contract is not effective or binding unless made in writing and signed by the Superintendent.

27. Nondiscrimination.

- a. **Nondiscrimination Requirement.** During the term of this Contract, the Contractor, including any subcontractor, shall comply with all the federal and state nondiscrimination laws, regulations and policies, which are otherwise applicable to the Superintendent. Accordingly, on the bases enumerated at RCW 49.60.530(3), no person shall, on the ground of sex, race, creed, religion, color, national origin, marital status, families with children, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal, be unlawfully excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any activity performed by the Contractor and its agents under this Contract. In addition, Contractor, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which Contractor, or subcontractor, has a collective bargaining or other agreement.
- b. **Obligation to Cooperate.** Contractor, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that Contractor, including any subcontractor, has engaged in discrimination prohibited by this Contract pursuant to RCW 49.60.530(3).
- c. **Default.** Notwithstanding any provision to the contrary, the Superintendent may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until Superintendent receives notification that Contractor, including any

subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), the Superintendent may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

- d. **Remedies for Breach.** Notwithstanding any provision to the contrary, in the event of Contract termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. The Superintendent shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe the Superintendent for default under this provision.

28. Overpayments. Contractor shall refund to Superintendent the full amount of any overpayment under this Contract within thirty (30) calendar days of written notice. If Contractor fails to make a prompt refund, Superintendent may charge Contractor one percent (1%) per month on the amount due until paid in full.

29. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported invoice for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract, and (2) Acceptance and certification by the OSPI Contract Manager or designee of satisfactory performance by the Contractor.

Except as otherwise provided in this Contract, (1) All approvable invoices for payment due to the Contractor shall be paid within thirty (30) calendar days of their submission by the Contractor and acceptance and certification by the OSPI Contract Manager or designee, and (2) All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

30. Public Disclosure. Contractor acknowledges that the Superintendent is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Contract shall be a public record as defined in RCW 42.56. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with chapter 42.56 RCW, the Superintendent shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.

31. Publicity. The Contractor agrees to submit to the Superintendent all advertising and publicity matters relating to this Contract which in the Superintendent's judgment, Superintendent's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Superintendent.

32. Registration with Department of Revenue. The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.

33. Records Maintenance. The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

34. Right of Inspection. The Contractor shall provide right of access to its facilities to the Superintendent or any of its officers at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract on behalf of the Superintendent. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.

35. Severability. The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

36. Site Security. While on Superintendent premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

37. Subcontracting. Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the Superintendent of any subcontractor

or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the Superintendent.

38. Subcontractor Payment Reporting. If a subcontractor is used to perform all or part of the services under this Contract under a separate contract with the Contractor, this Contract is subject to compliance tracking using the State's business diversity management system, [Access Equity](#) (B2Gnow). The Contractor and all Subcontractors shall report and confirm receipt of payments made to the Contractor and each Subcontractor through the Access Equity system. User guides and documentation related to Contractor and Subcontractor access to and use of Access Equity are provided by the Office of Minority and Women's Business Enterprises in the [Access Equity Help Center](#). The Superintendent reserves the right to withhold payments from the Contractor for non-compliance with this section. Any related costs to performing these activities shall be at the expense of the Contractor. Any such activities and resulting checklist and/or other products must be shared with the Superintendent's Information Technology Services.

Except as otherwise provided in this Contract, the Superintendent or Superintendent's Designee may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Contract in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Contractor as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Contractor. If this Contract is so terminated, the Superintendent shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.

42. Termination for Default. In the event the Superintendent determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, the Superintendent has the right to suspend or terminate this Contract. The Superintendent shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Contract may be terminated. The Superintendent reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the Superintendent to terminate the Contract. The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the Superintendent provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

43. Termination Due to Funding Limitations or Contract Renegotiation, Suspension. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion of this Contract, with the notice specified below and without liability for damages:

 - (2) When Superintendent determines that the funding insufficiency is resolved, it will give the Contractor written notice to resume performance, and Contractor shall resume performance.
 - (3) Upon the receipt of notice under b. (2), if Contractor is unable to resume performance of this Contract or if the Contractor's proposed resumption date is not acceptable to Superintendent and an acceptable date cannot be negotiated, Superintendent may terminate the Contract by giving written notice to the Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. Superintendent shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.
- c. Superintendent may immediately terminate this Contract by providing written notice to the Contractor. The termination shall be effective on the date specified in the termination notice. No penalty shall accrue to Superintendent in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

44. Termination Procedure. Upon termination of this Contract the Superintendent, in addition to other rights provided in this Contract, may require the Contractor to deliver to the Superintendent any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Superintendent shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by the Superintendent and the amount agreed upon by the Contractor and the Superintendent for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by the Superintendent, and (d) the protection and preservation of the property, unless the termination is for default, in which case the Superintendent shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The Superintendent may withhold from any amounts due to the Contractor such sum as the Superintendent determines to be necessary to protect the Superintendent against potential loss or liability.

The rights and remedies of the Superintendent provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.

MEMORANDUM to ED GRANTEEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or

conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.

- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting and conference-related expenses.
