II. CONCLUSIONS OF LAW

1. RCW Chapter 28A.410 gives the Professional Educator Standards Board the authority to develop regulations determining eligibility for and certification of personnel employed in the common schools of the state of Washington. OSPI acts as the administrator of those statutes and regulations and has the authority to issue, reprimand, suspend, and revoke education certificates. RCW 28A.410.010; RCW 28A.410.090. Chapters 181-86 and 181-87 of the WAC further implement OSPI's authority.
2. OSPI has jurisdiction over the Educator and the subject matter of this action.
3. Pursuant to WAC 181-86-070, there is clear and convincing evidence the Educator pleaded guilty to or has been convicted of a crime specified in RCW 28A.410.090(4).
4. Pursuant to RCW 28A.410.090(4) and WAC 181-86-013(2), a plea of guilty or a conviction of RCW 9.68A.090(2), "bars the certificate holder from any future practice as an education practitioner" and mandates OSPI to permanently revoke the Educator's certificate.
5. Pursuant to WAC 181-86-170, WAC 181-86-013(4), and WAC 181-86-014, there is clear and convincing evidence the Educator has a behavioral problem that endangers the educational welfare or personal safety of students.
6. Pursuant to WAC 181-86-075, permanent revocation is appropriate discipline when (1) the superintendent of public instruction has determined that the education practitioner has committed a felony crime under WAC 181-86-013 (1) or (2) which bars the education practitioner from any future practice as an education practitioner.

//

//

//

7. Pursuant to WAC 181-86-080, eleven factors, at a minimum, are to be considered to determine the appropriate level and range of educator discipline:

- (1) The seriousness of the act(s) and the actual or potential harm to persons or property;
- (2) The person's criminal history including the seriousness and amount of activity;
- (3) The age and maturity level of participant(s) at the time of the activity;
- (4) The proximity or remoteness of time in which the acts occurred;
- (5) Any activity that demonstrates a disregard for health, safety or welfare;
- (6) Any activity that demonstrates a behavioral problem;
- (7) Any activity that demonstrates a lack of fitness;
- (8) Any information submitted regarding discipline imposed by any governmental or private entity as a result of acts or omissions;
- (9) Any information submitted that demonstrates aggravating or mitigating circumstances;
- (10) Any information submitted to support character and fitness; and
- (11) Any other relevant information submitted.

8. Based on the foregoing facts, and considering them in light of the eleven factors enumerated in WAC 181-86-080, and in light of WAC 181-86-075, RCW 28A.410.090(4), and WAC 181-86, the Educator's education certificate should be permanently revoked for demonstrating a lack of good moral character and personal fitness pursuant to WAC 181-86-013(1) and committing a felony crime under RCW 28A.410.090(4) which bars the Educator from any future practice as an educator.
