

OSPI Child and Adult Care Food Program (CACFP) Checklist

Fiscal Year 2025–26 Training Checklist

As a Child and Adult Care Food Program (CACFP) Sponsor, you must certify completion of all training requirements when submitting your Sponsor Application in the Washington Integrated Nutrition System (WINS) during Program renewal. Use this checklist as a guide to complete Fiscal Year 2025–26 (FY26) training requirements. You do not need to return this form to OSPI Child Nutrition Services. FY26 renewal applications will not be approved until the appropriate person has attended the required training.

Who Must Attend Annual Training?

- All institutions participating in the CACFP.
- All institutions planning to participate in the CACFP in FY26.
- At a minimum, the person responsible for oversight of the CACFP must attend. This training is intended for directors and administrators.

How to Participate: Login Information & Certificates of Training

All required annual training courses are available in the Bright Track learning platform except for the LEA Pre-K training. The LEA Pre-K training may be attended in person, or the recorded version may be viewed on the Canvas learning platform.

☐ **CACFP Annual Sponsor Training for Centers**

☐ **Monthly Eligibility Training**

**Not required for Sponsors with only Head Start/ECEAP, At-Risk or Homeless Shelters participants or FDCH Sponsors*

In FY26 CACFP will no longer conduct an annual study month. Sponsors will enter site specific monthly participant eligibility information (Free, Reduced-Price, and Above Scale) with each claim in WINS. This training will review this new monthly reporting requirement and eligibility tracking tools and resources.

☐ **Menu Building Basics: Utilizing CN Labels & USDA Recipes to Build a Cycle Menu**

Learn about CN Labels, product formulation statements and how to use them to build a cycle menu. Participants will explore USDA Standardized recipes and will learn how to scale these recipes and products to fit production needs.

☐ **Procurement Training**-Take one of the following trainings based on your procurement needs:

**Not required for FDCH Sponsors or Sponsors of Unaffiliated Centers*

☐ **Procurement for CACFP Operators who do not have vended meal agreements or Interagency Agreements**

All CACFP operators must procure all goods and services using the procurement regulations found in 7 CFR 226.22 and 2 CFR Part 200.318-326. This course will define procurement and will provide an overview of the types of procurement methods, strategies for local purchasing, and purchasing from a Food Service Management Company. Lastly, participants will understand the requirements regarding written procurement policies and procedures and codes of conduct.

OR

☐ **Vendor Management Practice-required for Sponsors with vended meal agreements or Interagency Agreements only**

This course will help you understand basic procurement standards and the importance of vendor selection when outsourcing the food program. It will cover identifying and evaluating vendors based

on quality, pricing and reliability. Managing the vendor contract to ensure the quality and safety of the food program will also be reviewed.
