

Career and Technical Education University Route Programs

The Career and Technical Education (CTE) Plan 1 is for obtaining the CTE Agriculture Education, Business and Marketing, Family and Consumer Science Education, and Technology Education endorsements. A state-approved CTE program in one of the four broad endorsement areas must be complete as part of the university route requirements. Please see the table below for colleges/universities approved to offer the endorsement program.

Career and Technical Education University Route Teacher Preparation Programs

Endorsement Area	College/Program
Agriculture Education	Washington State University Evergreen State College
Business and Marketing Education	Central Washington University Eastern Washington University *Currently Not Taking New Students Until Further Notice
Family and Consumer Science Education	Central Washington University Washington State University Seattle Pacific University *Currently Not Taking New Students Until Further Notice
