EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- ☒ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The emergency rules are necessary to be in place by the beginning of the 2025-26 school year to ensure that students enrolled in approved competency-based education programs can be claimed as a full-time student or 1.0 FTE for the purpose of generating state basic education funding.

OSPI will also conduct permanent rulemaking concerning these rules.
