# INTRODUCTION

The purpose of this document is to provide the contact information for each district's English Language Proficiency (ELP) assessment contact. This individual might be the district assessment coordinator (DAC) or another district designee, depending on district choice and need.

The information in this document can be used to support district to district communication during the school year and especially during the test administration window for ELP assessments. Reasons for district communication might include discussing student transfers, student scores, student enrollment, and other information that might assist districts in maintaining accurate student records.

The contact information in this document is verified for accuracy each summer, then updated as needed on a quarterly basis throughout the school year. Updates and corrections can be sent to [ELPAssessments@k12.wa.us](mailto:ELPAssessments@k12.wa.us) at any time throughout the year.
