Washington Office of Superintendent of
PUBLIC INSTRUCTION

Vision

All students prepared for post-secondary pathways, careers, and civic engagement.

Mission

Transform K–12 education to a system that is centered on closing opportunity gaps and is characterized by high expectations for all students and educators. We achieve this by developing equity-based policies and supports that empower educators, families, and communities.

Values

- Ensuring Equity
- Collaboration and Service
- Achieving Excellence through Continuous Improvement
- Focus on the Whole Child

Washington Office of Superintendent of
PUBLIC INSTRUCTION

Equity Statement

Each student, family, and community possesses strengths and cultural knowledge that benefits their peers, educators, and schools.

Ensuring educational equity:

- Goes beyond equality; it requires education leaders to examine the ways current policies and practices result in disparate outcomes for our students of color, students living in poverty, students receiving special education and English Learner services, students who identify as LGBTQ+, and highly mobile student populations.
- Requires education leaders to develop an understanding of historical contexts; engage students, families, and community representatives as partners in decision-making; and actively dismantle systemic barriers, replacing them with policies and practices that ensure all students have access to the instruction and support they need to succeed in our schools.

Partnership Approach and Accountability

Partnership Approach

- Build **trusting** relationships.
- Lead with **compassion** and **empathy**
- Assume **positive intent** of LEA staff
- Not assuming OSPI has all the answers

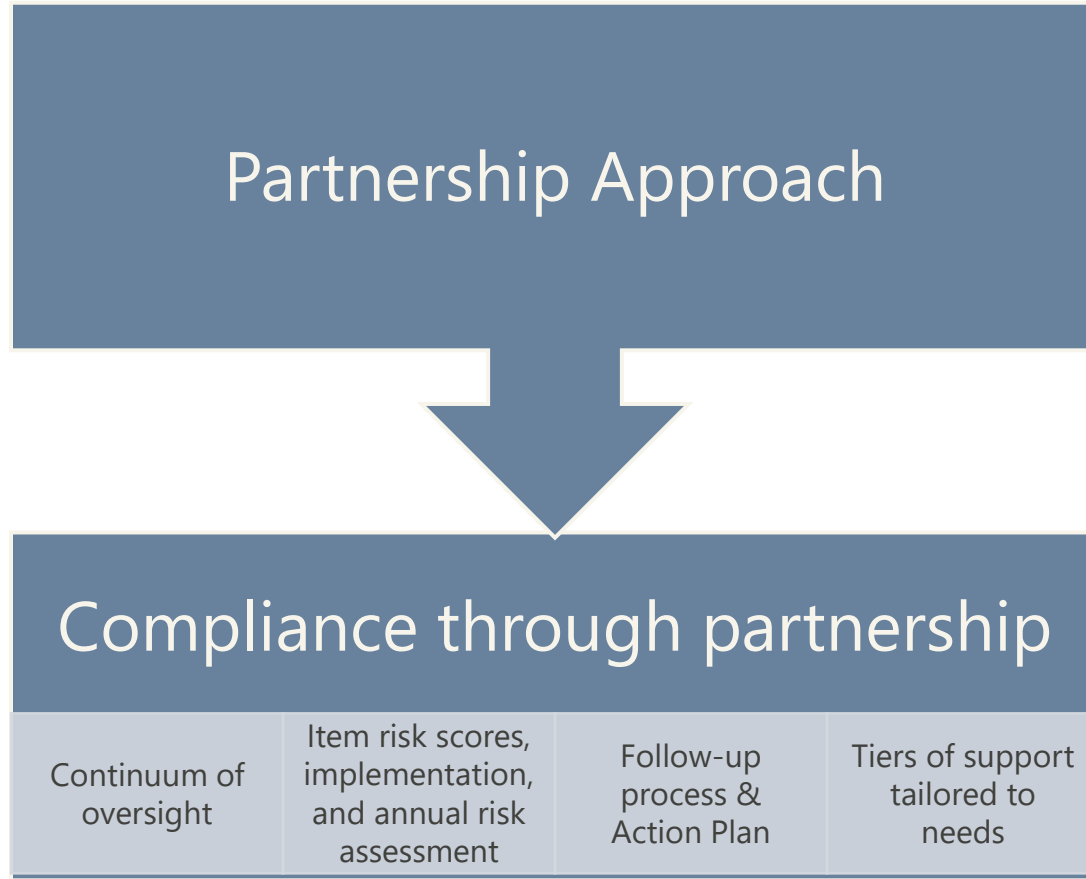

Partnership Approach

- Keep the focus on **student outcomes**.
- Part of a **continuous improvement** process, not an end in itself.
- Working **together**, rather than telling LEAs what to do.

What's the purpose of this oversight?

- Fulfilling the federal and state obligations for oversight of the federal and state funds and civil rights.
- Rather than imposing the oversight requirements in an authoritative manner, we seek to build trust, working together as partners to meet the needs of the LEAs and their students. Compliance is achievable through partnership.

Program Review & Support

A complete oversight process that allows OSPI programs to differentiate oversight based on the needs of the LEA.

Focuses on student outcomes

Partnership perspective: *Not a "gotcha" but a "How can we support you?"*

Includes a Continuum of oversight: *Acknowledges that all interactions are part of the oversight (e.g., application, guidance, Reviews, etc.).*

Continuum of Oversight

Program Review & Support (tiers of support)

- **Program Review & Support Checklist**

- Notification and recommendation that all LEAs use the checklist to ensure they are meeting the programs requirements.

- **Program Review**

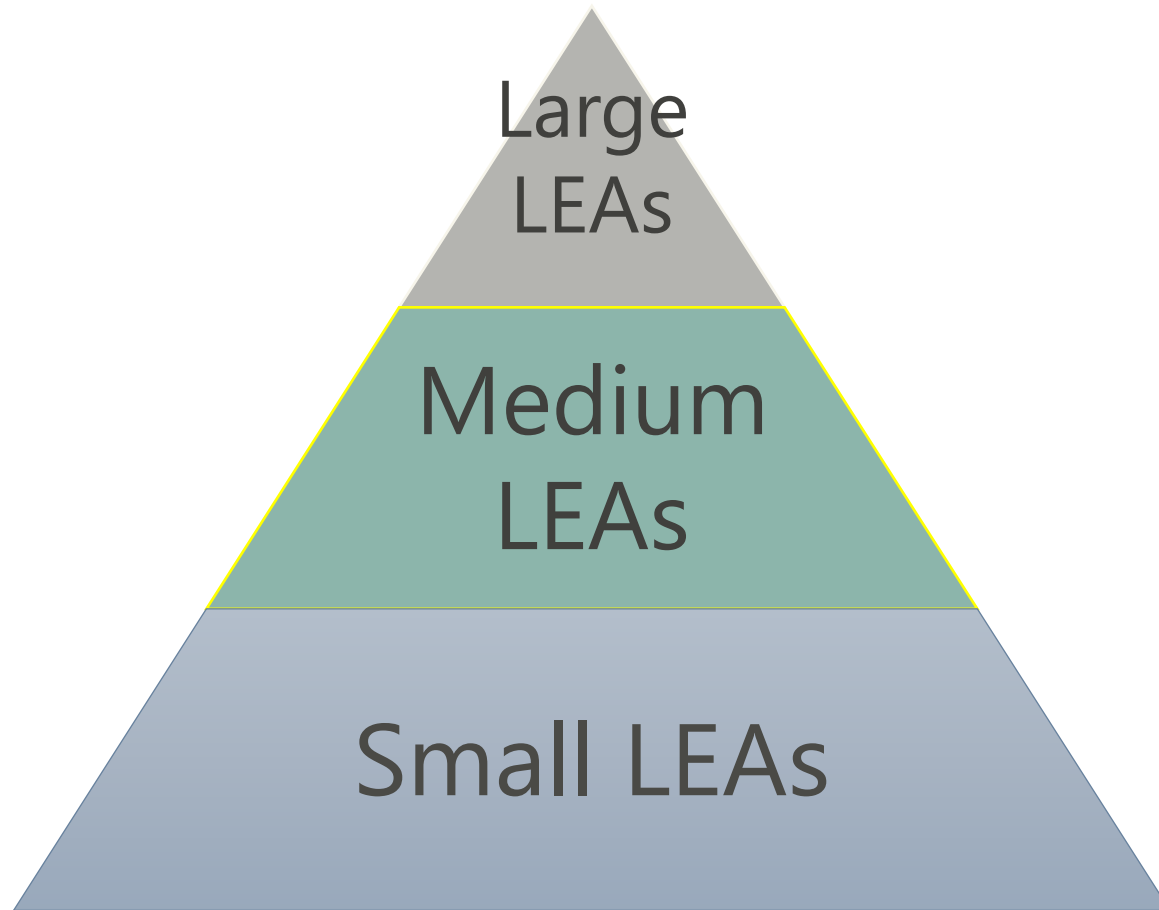

- Review of *no more than* 45 LEAs at the top of the Annual Risk Assessment. LEAs are selected based on risk score and grouped by size.

- **Focused Support**

- OSPI program staff may need to provide additional supports to a particular LEA. Virtual or On-site (this tier of support is under development.)

Program Review: **LEA Selection**

- **Large LEAs** (3500 or more students): about 13 large LEAs
 - 6-15 programs reviewed
- **Medium LEAs** (1000 to 3499 students): about 12 medium LEAs
 - 3-6 programs reviewed
- **Small LEAs** (less than 1000 students): about 20 small LEAs
 - 1-3 programs reviewed

Program Review & Support (Formerly CPR)

OSPI is continuing the Consolidated Program Review (CPR) transition to a new process. This new process continues the oversight of federal and state programs. Beginning with the 2023–24 school year, CPR is now named Program Review & Support (PRS). The name change reflects the partnership with OSPI and Local Education Agencies (LEAs) that focuses on student outcomes.

Over the past several years, OSPI has worked to align this process with [OSPI's Strategic Goals](#). OSPI has worked with local, state, and national organizations to develop the process. By the 2025–26 school year, the new process will be fully implemented. During this transition period, OSPI's goals are to:

- Reduce the burden on LEAs.
- Strengthen partnerships between OSPI and LEAs.
- Improve student learning and increase equitable access.

A Continuum of Oversight

Program Review & Support (PRS) is an iterative process which includes all interactions OSPI has with LEAs. The continuum of oversight includes interactions such as:

- The application process.
- Technical assistance calls.
- Guidance documents, program training, and reporting.

Item 14.2: Language Access Services

Guide to Item 14.2

Language Access (Interpretation and Translation) Services

Important! All LEAs must respond to subitem A, regardless of whether the LEA has currently identified parents who need language access services.

OSPI Tools and Resources:

[OSPI Sample Home Language Survey](#): Available in 40 languages

Legal Background

LEAs must ensure the LEA and schools communicate meaningfully with limited-English proficient (LEP) parents in a language they understand. This includes using interpretation and translation services to adequately provide LEP parents with information about any program, service, or activity that the LEA provides to non-LEP parents.

At the school and LEA levels, this essential information includes, but is not limited to, information about:

- Language assistance programs
- Special education and related services
- IEP meetings
- Grievance procedures
- Notices of nondiscrimination
- Student discipline policies and procedures
- Registration and enrollment
- Report cards
- Requests for parent permission
- Parent-teacher conferences
- Parent handbooks
- Gifted and talented programs
- Magnet and charter schools
- Any school and program choice options

When a significant percentage of the parent population in a particular district or school needs the information in a language other than English, the school must translate "vital documents" (i.e., documents that include essential information) into that language.

- *For example, a common measure of "significant percentage" is when a language group constitutes at least 5 percent of the LEA's total parent population or 1,000 persons, whichever is less.*

For less-common languages, the LEA must still promptly notify LEP parents that free, qualified interpreters, which can include appropriately trained school employees, are available to provide an oral translation or explain district- and school-related information that is communicated in writing to parents.

5 Tips for Success

Sharing tips and common pitfalls

Washington Office of Superintendent of
PUBLIC INSTRUCTION

5 Tips for Success

1. Note the new checklist!
2. Read the checklist carefully.
3. Submit *everything* requested.
4. Use the TA Guides and the Civil Rights Program Review landing page.
5. Know when (and who) to ask for help.

1. Note the new (shorter) Civil Rights Checklist.

Item	Topic
14.1	Section 504: Identification, Evaluation, and Placement
14.2	Interpretation & Translation Services (for parents)
14.3	English Language Development Services (for students) <i>Only reviewed if LEA does not receive TBIP or Title III funding.</i>
14.4	Data Review 1: Specialized Courses and Programs
14.5	Data Review 2: Student Discipline
14.6	Athletics 1: Three-Part Test
14.7	Athletics 2: Annual Athletic Evaluation & Outside Sources of Funding

2. Read the checklist carefully.

Request	Explanation	Example
Evidence	Actual documentation , such as data, work product, written analysis, forms, schedules, meeting minutes, completed tools, etc.	Item 14.1.A: Section 504 <i>Please submit Section 504 documentation for two students at an elementary school..., including</i> (1) Parent consent for the initial evaluation; (2) Evaluation documentation (3) Etc.
Description	Written narrative explaining how your LEA has implemented a certain requirement or describing the system your LEA has developed to meet the requirement.	Item 14.2.A: Language Access Services <i>Please submit a description of the process the LEA uses to identify LEP parents..."</i>

3. Submit everything we have requested.

Most of the civil rights items have multiple subitems. Please make sure that you have submitted responsive evidence or descriptions for *each* subitem.

- For example, Item 14.3 (English Language Development Services) has subitems A–G.

**If you believe that a particular subitem does not apply to your LEA or know that your LEA cannot provide a particular piece of evidence, please email your OSPI reviewer to discuss!*

4. Use the TA Guides.

Guide to Item 14.3

English Language Development Services

Important! OSPI only reviews this item on the Checklist 14 (Civil Rights) for LEAs who do not receive funding for English Language Development (ELD) services, in order to ensure that these LEAs are meeting their civil rights requirements to identify and serve English Learner students.

As a result, if your LEA:

- **Does not receive Title III or TBIP funding.** please provide the requested documentation for this item here, in Checklist 14 (Civil Rights), even if the LEA does not have any currently identified English Learner (EL) students.
- **Does receive Title III or TBIP funding.** please do not submit the requested documentation for this item in Checklist 14 (Civil Rights). You will instead submit requested documentation in Checklist 7 (Title III/TBIP), which will be reviewed by OSPI's Multilingual Office.

Legal Background
Each LEA is required to:

- Provide English language development (ELD) services to English Learners (EL) – national origin minority students with limited-English proficiency.
- Implement a process to identify, assess, and place EL students, which includes a home language survey and provisions for testing students on the state language proficiency assessment.
- Provide ELD services that are based on a sound educational theory, have been implemented effectively, which includes qualified staff and adequate resources and facilities.
- Periodically evaluate its program's effectiveness to determine if students' language barriers are being overcome.

Legal Authority: Title VI, 34 C.F.R. Sec. 100.3; *Lau v. Nichols*, 414 U.S. 563 (1974); Chapter 28A.642 RCW and Chapter 392-190 WAC.

OSPI Tools and Resources

- [OSPI Sample Home Language Survey](#): Available in 40 languages
- [WA State Policies and Practices Guide](#): Comprehensive guidance from OSPI (2024)
- [Multilingual Learner Action Plan Toolkit](#)
- [English Learner Toolkit](#) (OCR)

EL Identification and Placement (14.3.A-C)

Evidence to Provide

Important! All LEAs must respond to subitems A–E, even if the LEA does not have any presently identified ELs.

- A. Evidence that the LEA identifies the language background of each student upon enrollment (including the first language learned, the language the student uses most often, and the language used in the home). Evidence should include a home language survey or student enrollment form with the required questions.
- B. Assessment and placement procedures for ELD services, including testing on the state language proficiency assessment and criteria for determining eligibility and exit.

Tips for Program Review

- Using OSPI's [Home Language Survey](#) (available in 40 languages) is the most efficient way to collect this information. If the LEA does not use the survey, it can instead ask two questions on its enrollment form:
 - What language did your child first speak or understand?
 - What language does YOUR CHILD use the most at home?
- Additional information about identification and placement procedures can be found by reviewing OSPI's [Multilingual Learners Policies and Practices Guide](#) (Chapter 1: Identification and Placement).

ELD Services Staffing (14.3.D and E)

Evidence to Provide

Important! If the LEA does not have any presently identified ELs, please mark subitems C–E as N/A in the Comments field.

- C. A roster of eligible EL students, indicating language proficiency level and the type and amount of ELD services provided for each student.
- D. A list of all teachers who design, oversee, and evaluate ELD services. For each teacher listed, provide their qualifications to provide EL services, such as EL/ESL endorsement or ongoing training relating to the delivery of ELD services.
- E. A list of all paraeducators who assist in providing ELD services. For each paraeducator listed, provide evidence that they instruct under the direct supervision of a qualified teacher and receive ongoing training relating to the delivery of ELD services.

Civil Rights Program Review | Updated August 2025

Page 2

5. Know when to ask for help!

Don't be afraid to ask your colleagues. For each item on the checklist, ask yourself, "Who might be able to help?"

- *Who might hold/maintain the evidence being requested?*
- *Who may be able to draft a description that is being requested?*

Develop a system that can help you keep track of each item (and who you've asked to help).
