

Washington State Seal of Biliteracy Transcript/CEDARS Reporting

Proficient - 42

The **Proficient** code identifies students who have demonstrated [Intermediate Mid](#) proficiency in one or more world languages but **have not met their [Graduation Pathway English Language Arts requirements](#), and/or have not graduated**, which are needed to be awarded a Seal of Biliteracy. ([RCW 28A.300.575](#), [WAC 392-410-350](#)).

This code applies to **K-12 students who have not yet graduated** that have earned [four World Language Competency-based Credits](#) or met the passing score on an [OSPI-approved language assessment](#).

CEDARS Reporting Codes

Element I – Student Attributes and Programs File (I)

Element I06 - Attribute or Program Code

- 42 – **Proficient**
- The code to identify a student as Proficient for the Seal of Biliteracy.

Element I07 – Start Date

- The date the student was identified as **Proficient** in a language other than English and must fall within the district enrollment span.
- This is the day the student took the assessment.
- If a student enrolls within the district after assessing, this will be the date of enrollment.

Element I08 – Exit Date

- The date the student was identified as **Proficient** in a language other than English and must fall within the district enrollment span.
- This is the day the student took the assessment.
- If a student enrolls within the district after assessing, this will be the date of enrollment.

Element I10 – Qualification Code

- The language in which the student is identified as **Proficient** in a language other than English.
- [Appendix K](#) contains the list of approved language codes.
- **If you do not see the language you need, please contact worldlanguage@k12.wa.us.**
