

Request for Proposals No. 2026-12

Amendment 01

This document is posted to capture an amendment to RFP No. 2026-12, issued November 10, 2025.

All amendments, addenda, and notifications related to this procurement will be posted on the [OSPI website](#) (if this was an open procurement) and on the Washington Electronic Business Solution ([WEBS](#)) website. Additional questions concerning this procurement must be submitted to contracts@K12.wa.us. Communication directed to other parties will be considered unofficial and non-binding on OSPI, and may result in disqualification of the Consultant.

It was brought to our attention that there were some issues with protected cells on the Data Reporting Sheet of Attachment A: SASQUATCH System Requirements.

We've corrected the format errors and have posted a new version of the document as "*Attachment_A_Sasquatch_System_RequirementsV2*," available on WEBS and OSPI's website at the hyperlinks above.

Bidders should use version V2 when responding to this RFP.
