Overview

The mission of Northwest Allprep (NWA) is to empower a community of parents, teachers, and community members in the education of students in a home learning environment by creating a learning community that offers academic and social support and prepares students for the transition to the world of work or post-secondary education.

NWA is committed to providing unique and flexible education for students. By working closely with families, community, and school districts, NWA provides a fully-supported, accessible curriculum for students grades 6 through 12 to prepare them for higher education and/or their future careers
