Overview

Greenways Academy is a fully accredited online school and approved course provider committed to partnering with Washington public school districts to expand educational access for students. With a strong record of success, Greenways delivers flexible, personalized K–12 learning supported by certified teachers, an easy-to-use online platform, and wraparound services including tutoring, social-emotional learning, and enrichment activities. We specialize in supporting diverse learners, from students needing credit recovery or flexible schedules to those pursuing advanced coursework, dual enrollment, or specialized electives. By collaborating with districts, Greenways ensures accountability, compliance, and high-quality learning opportunities that empower students to thrive academically and personally.
