

National Board MOC Informational Webinars

Register Today!

Please join us in a webinar series designed for MOC-eligible NBCTs, facilitated by OSPI National Board Regional Coordinators. Participants will learn about the MOC process and understand next steps in maintaining their certificate.

NBCTs will have five opportunities to gain valuable information about completing MOC and join a space to ask pertinent questions related to the assessment process. NBCTs are welcome to attend all or any individual session.

Who? Any NBCT planning to maintain their National Board certification during the 26-27 school year or later.

What? Webinar series hosted by OSPI. Attend to find out what MOC requires and the timeline options.
