- If Yes, explain:

Purpose: The purpose of this emergency rulemaking is to adopt rules concerning the sale of school district real property who are in binding conditions in alignment with Substitute Senate Bill 5412 (2025). Additionally, as provided in this same bill, the emergency rulemaking would address the charging of interest when districts are in binding conditions or under enhanced financial oversight for temporary interfund loan from its capital projects fund.

OSPI will also conduct permanent rulemaking concerning these rules.

Citation of rules affected by this order:

- New: WAC 392-123-171

- Amended: WAC 392-123-150
- Suspended:

Statutory authority for adoption: Substitute Senate Bill 5412 (Chapter 384, Laws of 2025); RCW 28A.335.135; RCW 28A.505.140

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: These emergency rules are necessary to ensure that rules are in place to provide transparency and accountability when districts in binding conditions sell real property, to verify the proceeds are used in alignment with OSPI's authorization of the sale, and to limit the sale of real property in these situations to no more than once every 10 years. Additionally, these emergency rules will state that no interest can be charged for an interfund loan from the capital projects fund for districts in binding condition or under financial oversight.

OSPI will also conduct permanent rulemaking concerning these rules.
