EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: These emergency rules are necessary as the Legislature changed the cost allocation statute for special education, which OSPI had relied upon in prior years for funding compliance purposes (K-3 compliance and PSES compliance) by reference. With that change, OSPI needs to amend pertinent rules to continue to use the prior methodology for these compliance measures effective in January 2026. Failure to update the rules would result in some districts receiving less state funding than appropriate for the provision of basic education. In some districts, the deficiency could amount to millions of dollars.

OSPI will also conduct permanent rulemaking concerning these rules.
