A Consultant may submit a complaint based on any of the following:

- The Solicitation unnecessarily restricts competition;
- The Solicitation evaluation or scoring process is unfair or flawed; or
- The Solicitation requirements are inadequate or insufficient to prepare a proposal.

Consultants may submit complaints up to five (5) business days prior to the proposal due date noted in the Estimated Schedule of Procurement Activities. To be considered a valid complaint, the complaint must meet the following requirements:

- Must be in writing.
- Should clearly articulate the basis for the complaint.
- Should include a proposed remedy.

Complaints not received by the deadline noted in the Estimated Schedule of Procurement Activities will not be reviewed by OSPI. Failure by the Bidder to raise a complaint at this stage may waive its right for later consideration.

The OSPI Contracts Administrator or an employee delegated by the Contracts Administrator will review valid complaints and respond to the submitter in writing. OSPI will consider all complaints but is not required to adopt a complaint, in part or in full. OSPI's response to the

complaint is final and not subject to administrative appeal. The response, and any changes to the RFQQ, will be posted as an amendment to WEBS prior to the proposal due date. Any complaint addressed during the complaint process cannot be raised during the protest process.

B.7. PROPRIETARY INFORMATION/PUBLIC DISCLOSURE

Your entire response to this RFQQ is a public record and will be disclosed consistent with the Public Records Act, Chapter 42.56 RCW. Bid submissions and evaluations are temporarily exempt from public disclosure until announcement of the ASB(s).

B.7.i. CONFIDENTIAL DOCUMENTS

B.7.ii. PUBLIC RECORDS REQUESTS

If a public records request seeks your proposal and the proposal contains pages clearly marked "Confidential", OSPI will take the following steps:

- i. We will notify you. We will identify the requestor and the date that OSPI will disclose the requested records.
- ii. We will give you an opportunity to seek a court order to stop OSPI from disclosing the records.
- iii. We will not evaluate or defend your claim of confidentiality. We will not withhold or redact your documents without a court order.

If you have any questions, refer to the [OSPI Public Records Office](#).

B.8. ADDENDUMS AND AMENDMENTS TO THE RFQQ

In the event it becomes necessary to revise any part of this RFQQ, an addendum or an amendment will be published on the [OSPI website](#). Additionally, all addenda referred to above will be released on WEBS under the commodity code(s) listed on the cover page of this RFQQ. Only consultants who have properly registered in WEBS will receive automatic notification of amendments or other correspondence pertaining to this RFQQ. Participation may be either on a direct basis in response to this RFQQ or on a subcontractor basis. For more information on certification, contact the [Washington Office of Minority and Women's Business Enterprises](#). However, no preference points will be included in the evaluation of proposals, no minimum level of MWBE participation shall be required as a condition for receiving an award, and proposals will not be rejected or considered non-responsive on that basis.

This RFQQ, the evaluation of proposals, and any resulting contract shall be made in conformance with applicable Washington State laws and Policies.

Bidders shall indicate on their *Contract Intake Form* any current or former state employees who are employed by, or subcontracted with, Bidder.

B.11. ACCEPTANCE PERIOD

Proposals must provide ninety (90) business days for acceptance by OSPI from the due date for receipt of proposals. OSPI may accept such bid, with or without further negotiation, at any time within such period.

B.12. RESPONSIVENESS

All proposals will be reviewed by the RFQQ Coordinator to determine compliance with administrative and minimum requirements and instructions specified in this RFQQ - i.e., does the bid include each of the required bid submittals, are the submittals complete, signed, legible. OSPI may reject a Proposal as non-responsive at any time for any of the following reasons:

- Incomplete Response
- Submission of a Response that proposes services that deviate from the scope and technical requirements set forth in this document and Exhibit B, Sample Contract, except as permitted in an amendment to this Solicitation
- Failure to meet the minimum Bidder qualifications or to comply with any requirement set forth in this RFQQ, including Attachments
- Submission of incorrect, misleading or false information
- History of prior unsatisfactory contractual performance

Bidders whose proposals are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing.

The RFQQ Coordinator or evaluator(s) may contact any Bidder for clarification of the proposal. A Bidder's failure to clarify within the specified timeline may result in disqualification.

OSPI reserves the right to reject any or all bids, or portions thereof, and/or accept any portion of a bid unless the bidder stipulates all or nothing in their bid. If a proposal meets all administrative and Bidder qualification requirements and submittal instructions, OSPI shall continue with the written evaluation and, if applicable, the oral evaluation.

OSPI reserves the right at its sole discretion to waive informalities. An informality is an immaterial variation from the exact requirements of the RFQQ, having no effect or merely a minor or negligible effect on quality, quantity, or delivery of the goods or the quality, capability, or performance of the services being procured, and the correction or waiver of which would not affect the relative standing of, or be otherwise prejudicial, to bidders.

B.13. MOST FAVORABLE TERMS

OSPI reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Bidder can propose. There will be no best and final offer procedure. OSPI does reserve the right to contact a Bidder for clarification of its proposal.

The Bidder should be prepared to accept this RFQQ for incorporation into a contract resulting from this RFQQ. Contract negotiations may incorporate some or all of the Bidder's proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to OSPI.

B.14. CONTRACT AND GENERAL TERMS & CONDITIONS

The Apparent Successful Bidder will be expected to enter into a contract which is substantially the same as the sample contract and its General Terms and Conditions. In no event is a Bidder to submit its own standard contract terms and conditions in response to this RFQQ. The Bidder may submit exceptions documented in the Contract Issues Exhibit. OSPI will review requested exceptions and accept or reject the same at its sole discretion.

Should contract negotiations fail to be completed within two (2) weeks after initiation, the Agency may immediately cease contract negotiations, declare the Bidder with the second highest score as the new Apparent Successful Bidder, and enter into contract negotiations with that Vendor. This process will continue until the Contracts are signed or no qualified Bidders remain.

B.15. COSTS TO PROPOSE

OSPI will not be liable for any costs incurred by the Consultant in preparation of a proposal submitted in response to this RFQQ, in conduct of a presentation, or any other activities related to responding to this RFQQ.

B.16. NO OBLIGATION TO CONTRACT

Consultants awarded contracts as a result of this RFQQ will be required to register as a Statewide Vendor (SWV). The Letter of Submittal, excluding the signed exhibits, shall be a maximum of one (1) page. The three (3) major sections of the proposal are to be submitted in the order noted below:

1. Letter of Submittal including signed certifications, as applicable
 - a. Certifications and Assurances
 - b. Contract Issues List (if applicable)
 - c. Qualification Affirmations
 - d. Contract Intake Form

2. Management Proposal
3. Cost Proposal

Proposals must provide information in the same order as presented in this document with the same headings. This will not only be helpful to the evaluators of the proposal, but should assist the Consultant in preparing a thorough response.

C.3. LETTER OF SUBMITTAL

The Letter of Submittal shall include introductory remarks, contact information for the Bidder's point of contact for the proposal, and applicable certifications must be signed and dated by a person authorized to legally bind the Consultant to a contractual relationship, (e.g., the President or Executive Director if a corporation, the managing partner if a partnership, or the proprietor if a sole proprietorship).

C.4. MANAGEMENT PROPOSAL

C.4.i. Project Management/Team Structure/Internal Controls

Provide a description of the proposed project team structure and internal controls to be used during the course of the project, including any subcontractors. Identify staff, including subcontractors, who will be assigned to the potential contract, indicating the responsibilities and qualifications of such personnel, and include the amount of time each will be assigned to the project.

Provide an organizational chart of your firm indicating lines of authority for personnel involved in performance of this potential contract and relationships of this staff to other programs or functions of the firm. This chart must also show lines of authority to the next senior level of management. Include who within the firm will have prime responsibility and final authority for the work.

C.4.ii. Experience of the Consultant/Staff/Subcontractors

Relevant Experience – Describe how the Consultant meets the minimum qualifications and, if applicable, the desired qualifications. Include other relevant experience that indicates the qualifications of the Consultant, and any subcontractors, for the performance of the potential contract.

Bidder shall also affirm minimum qualifications on the *Qualification Affirmations Form*.

Related Contracts – Include a list of contracts the Consultant has had during the last five (5) years that relate to the Consultant's ability to perform the services needed under this

RFQQ. List contract reference numbers, contract period of performance, contact persons, phone numbers, and email addresses.

C.4.iii. References

List names, addresses, telephone numbers, and fax numbers/email addresses of three (3) business references for whom work has been accomplished and briefly describe the type of service provided for them.

By submitting a proposal in response to this RFQQ, the Consultant and team members grant permission to OSPI to contact these references and others who, from OSPI's perspective, may have pertinent information. OSPI may or may not, at OSPI's discretion, contact these references or others. OSPI reserves the right to use references to confirm satisfactory customer service, performance, satisfaction with service/product, knowledge of products/service/industry and timeliness. Any negative or unsatisfactory reference can be reason for rejecting a bidder as non-responsible.

C.4.iv. Past Performance

Provide information regarding past performance by indicating if the Consultant has received notification of contract breach in the past five (5) years. This does not lead to automatic disqualification. However, OSPI reserves the right to disqualify Consultant proposals based on the Consultant's historical performance, as outlined above in Section B. General Information for Consultants, 11. Responsiveness.

C.4.v. Examples/Samples of Related Projects/Previous Work

Provide three examples or samples of previous work/deliverables for related projects.

C.4.vi. Subcontractors

Identify any known or potential subcontractors who will be assigned to the potential contract.

Once a contract is awarded, the contract will be subject to compliance tracking using the State's business diversity management system, [Access Equity](#) (B2Gnow). Confidential information (Tax ID, etc.) will not be published. Contractors that have previously registered with B2Gnow for any public entity, must verify the system has updated information. User guides and documentation related to Contractor and Subcontractor access to and use of Access Equity are provided by the Office of Minority and Women's Business Enterprises in the [Access Equity Help Center](#).

Each month during the contract, the Contractor is required to report payments to all Subcontractors through the Access Equity system. This monthly reporting information includes total payment in dollars made to the Subcontractor, payment dates, and any additional information required to verify payment to Subcontractors. The Contractor shall enter this payment information into the Access Equity system, and require the Subcontractors verify the information in the system. Online training is available through the Access Equity/B2Gnow system. This requirement applies to both Contractors and Subcontractors, proposed during the procurement process and/or after a contract has been awarded and/or executed.

C.5. COST PROPOSAL

The evaluation process is designed to award this procurement not necessarily to the Consultant of least cost, but rather to the Consultant whose proposal best meets the requirements of this RFP. However, Consultants are encouraged to submit proposals that are consistent with state government efforts to conserve state resources.

In the event that bidder is awarded a Contract, the total price for the goods and/or services shall be bidder's price as submitted. Except as provided in the Contract, there shall be no additional costs of any kind.

C.5.i. Identification of Costs

Identify all costs including expenses to be charged for performing the services necessary to accomplish the objectives of the Contract. The Consultant is to submit a fully detailed budget including staff costs, administrative costs, travel costs, and any other expenses necessary to accomplish the tasks and to produce the deliverables under the Contract. A bidder's failure to identify all costs in a manner consistent with the instructions in this RFQQ is sufficient grounds for disqualification. Consultants are required to collect and pay Washington State sales tax, if applicable.

C.5.ii. Travel Costs

If the Consultant's proposal includes any travel-related expenses as a line item, they are to be broken out separately. Any applicable mileage, meals, lodging, or other travel-related expenses, will be reimbursed in accordance with [Washington State travel regulations](#) established by the Office of Financial Management.

C.5.iii. Subcontractor Costs

Costs for subcontractors are to be broken out separately. Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

C.5.iv. Indirect Costs

Per OSPI's indirect costs policy, the maximum amount that may be charged or included in contracts is the following:

Entity	State Contracts	Federal Contracts
School Districts	State recovery rate	Federal indirect rates, per OSPI's agreement with the U.S. Department of Education
Educational Service Districts	Per annual letter of agreement by K-12 Financial Resources Division	Per annual letter of agreement by K-12 Financial Resources Division
All other entities (including higher education, non-profits, independent consultants, etc.)	10%	10%

Section D. EVALUATION AND AWARD

D.1. EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this RFQQ and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by OSPI, which will determine the ranking of the proposals.

In addition to presiding over the evaluation team, the RFQQ Coordinator may review the submittals, provide input, assemble evaluation aids, or perform other functions helpful to the team. Evaluators may engage in a free flow of discussion among themselves and the RFP Coordinator prior to, during, and after the evaluation.

For responsive bids, OSPI will determine whether the bidder is a "responsible bidder." Accordingly, OSPI may make reasonable inquiry to determine bidder responsibility on a pass/fail basis. In determining bidder responsibility, OSPI may consider the following statutory elements:

- Bidder's ability, capacity, and skill to perform the contract or provide the service required;
- Bidder's character, integrity, reputation, judgment, experience, and efficiency;
- Bidder's ability to perform the contract within the time specified;
- Bidder's performance quality pertaining to previous contracts or services;
- Bidder's compliance with laws relating to the contract or services;
- Whether, within the three-year period immediately preceding the date of the Competitive Solicitation, bidder has been determined by a final and binding citation and notice of assessment issued by the Washington State Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of chapter 49.46, 49.48, or 49.52 RCW; and
- Such other information as may be secured having a bearing on the decision to award the Contract.

In accordance with RCW 39.26.160(2)(a)-(g), OSPI may request financial statements, credit ratings, references, record of past performance, clarification of bidder's bid, on-site inspection of bidder's or subcontractor's facilities, or other information as necessary to determine bidder's capacity to perform and the enforceability of bidder's contractual commitments. Failure to respond to these requests may result in a bid being rejected as non-responsive.

D.2. EVALUATION AND SCORING

The following points will be assigned to the proposals for evaluation purposes:

Category	Maximum Points Possible
Responsive to Minimum Qualifications and Requirements	Pass/Fail
Responsible Bidder	Pass/Fail
Management Proposal	70 points
Knowledge of Department of Education and Department of Agriculture federal grants, including, but not limited to, the federal grants included under the Elementary and Secondary Education Act (ESEA), Individuals with Disabilities Act (IDEA), Strengthening Career and Technical Education for the 21st Century Act (Perkins V), and the Child Nutrition Act.	20
Knowledge of federal grant requirements, including, but not limited to, EDGAR, Uniform Grant Guidance and the federal compliance supplement.	20
Experience providing professional documents and trainings to stakeholders.	20
Knowledge of external auditing of federal grants and internal controls.	10
Cost Proposal	30 points
Subtotal	100 points
Reference Checks (if determined necessary by OSPI)	10
Interview/Demonstration (if determined necessary by OSPI)	5
TOTAL POINTS POSSIBLE	115 points

D.3. REFERENCE CHECKS

References may be contacted for the top-scoring Bidder(s) only and will then be scored and added to the total score.

By submitting a proposal in response to this RFQQ, the Consultant and team members grant permission to OSPI to contact these references and others who, from OSPI's perspective, may have pertinent information. OSPI may or may not, at OSPI's discretion, contact these references or others. OSPI reserves the right to use references to confirm satisfactory customer service, performance, satisfaction with service/product, knowledge of products/service/industry and timeliness. Any negative or unsatisfactory reference can be reason for rejecting a bidder as non-responsible.

D.4. INTERVIEW/DEMONSTRATION

After bids are received and written evaluations are completed, OSPI, at its sole discretion, may request that one or more top bidders with the highest-scored proposals participate in an oral interview and/or presentation or demonstration. Should OSPI elect to hold interviews/demonstrations, it will contact the top-scoring bidder(s) to schedule a date, time, and location. Bidder(s) is/are encouraged to hold the date(s) indicated in the Estimated Schedule of Procurement Activities. OSPI will provide further instruction at the time of scheduling demonstrations/interviews. Commitments made by the Bidder at the interview/demonstration, if any, will be considered binding.

The scores from the written evaluation and the oral presentation combined together will determine the Apparent Successful Bidder.

D.5. SELECTION OF APPARENT SUCCESSFUL BIDDER

OSPI reserves the right to award the contract to the Bidder whose proposal is deemed to be in the best interest of and most advantageous to OSPI and the state of Washington. The selected bidder will be declared the Apparent Successful Bidder (ASB).

The date of announcement of the ASB will be the date the announcement is emailed. The State will enter into contract negotiations with the ASB. Should contract negotiations fail to be completed within two (2) weeks after initiation, the State may immediately cease contract negotiations, declare the Bidder with the second highest score as the new ASB, and enter into contract negotiations with that Bidder. This process will continue until the Contracts are signed or no qualified Bidders remain. Alternatively, OSPI reserves the right to cancel this solicitation and not award a contract to any Bidder.

Upon OSPI's announcement of ASB, all bid submissions and all bid evaluations are subject to public disclosure pursuant to Washington's Public Records Act.

Following announcement of ASB, the agency will publicly post awarded bid(s) and bid award documents to its [website](#).

D.6. NOTIFICATION TO BIDDERS

The ASB will be notified via email by the RFQQ Coordinator. Per RCW 39.26.160, OSPI must enter into the state's enterprise vendor registration and bid notification system, the name of each bidder and an indication as to the successful bidder. Therefore, the ASB will receive an additional email from [WEBS](#) regarding this award. If the ASB is not currently registered as a vendor in WEBS, the ASB may be prompted to complete vendor registration.

The date of announcement of the ASB will be the date the announcement is emailed. The State will enter into contract negotiations with the ASB. Should contract negotiations fail to be completed within two (2) weeks after initiation, the State may immediately cease contract negotiations, declare the Bidder with the second highest score as the new ASB, and enter into contract negotiations with that Bidder. This process will continue until the Contracts are signed or no qualified Bidders remain. Alternatively, OSPI reserves the right to cancel this solicitation and not award a contract to any Bidder.

Proposals that have not been selected for further negotiation or award will be notified via email by the RFQQ Coordinator. Non-successful bidders may also be prompted to register in [WEBS](#).

D.7. DEBRIEFING OF UNSUCCESSFUL BIDDERS

At the Bidder's request, an individual debriefing conference will be scheduled with an unsuccessful Bidder. A Debrief Conference is an opportunity for a bidder and OSPI to meet and discuss the bidder's bid (and, as further explained below, is a necessary prerequisite to filing a protest). Following the bid evaluation, OSPI will issue an ASB announcement. The request for a debriefing conference must be received by the RFQQ Coordinator within three (3) business days following announcement of the ASB. The debriefing must be held within three (3) business days of the request, unless otherwise agreed upon by OSPI and Bidder.

Discussion will be limited to a critique of the requesting Bidder's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debrief conferences may be conducted either in person at OSPI's office in Olympia, Washington, or virtually (e.g., by telephone or web-based virtual meeting such as Zoom, Skype, MS Teams), as determined by OSPI, and may be limited by OSPI to a specified period of time.

Since debriefing conferences pertain to the formal evaluation process, Bidders who were disqualified as non-responsive and therefore did not go through the formal evaluation process, are not entitled to a debriefing conference.

Please note, because the debrief process must occur before making an award, OSPI likely will schedule the Debrief Conference shortly after the announcement of the ASB and the Bidder's request for a Debrief Conference. OSPI will not allow the debrief process to delay the award. Therefore, Bidders should plan for contingencies and alternate representatives; Bidders who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest.

D.8. PROTEST PROCEDURE

This protest procedure is available to Bidders who submitted a response to this RFQQ document and who have participated in a Debriefing Conference. Upon completion of the debriefing conference, the Consultant is allowed five (5) business days to file a protest of the procurement with the RFQQ Coordinator. Protests shall be submitted to the RFQQ Coordinator via email.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

The protest must state:

1. The RFQQ number.
2. The grounds for the protest including specific facts and complete statements of the action(s) being protested. The protesting party may submit with the protest any documents or information deemed relevant.
3. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator/evaluation team;
- Errors in computing the score; and/or
- Non-compliance with procedures described in the procurement document or OSPI policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, 2) OSPI's assessment of its own and/or other agencies needs or requirements, or 3) a complaint raised during the Complaint Procedure.

Upon receipt of a protest, a protest review will be held by OSPI.

1. The agency will assign a Protest Officer who had no involvement in the evaluation and award process to investigate and respond to the protest.
2. The Protest Officer will consider the available facts and issue a written response to the Bidder within ten (10) business days after receipt of the protest, unless additional time is needed. OSPI will notify the protesting bidder in writing if additional time is needed.

3. A copy of the protest and the agency's written decision will be provided to the Superintendent of Public Instruction and the Director of DES.

In the event a protest may affect the interest of another Bidder that submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the Protest Officer.

The final determination of the protest shall either:

- Find the protest lacking in merit and uphold OSPI's action; or
- Find only technical or harmless errors in OSPI's procurement process and determine OSPI to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide OSPI options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the RFQQ document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If OSPI determines that the protest is without merit, OSPI will enter into a contract with the Apparent Successful Bidder, assuming the parties reach agreement on the contract's terms. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken. All decisions made by OSPI relating to the protest shall be final.

D.9. ADDITIONAL AWARDS

OSPI reserves the right, during the resulting Contract term, to make additional Contract awards to responsive, responsible bidders who provided a bid but who were not awarded a Contract under this RFQQ. Such awards would be on the same or substantially similar terms and conditions and would be designed to address an awarded Contractor vacancy (e.g., an awarded contractor is terminated or goes out of business) or be in the best interest of the State of Washington.

Contractor may do so by obtaining a certification statement from the potential subcontractor or subrecipient or by checking online at the System for Award Management (SAM), Excluded Parties List. The Contractor shall immediately notify the Superintendent if, during the term of this contract, Contractor becomes debarred. The Superintendent may immediately terminate this Contract by providing Contractor written notice if Contractor becomes debarred during the term of this Contract.

Contractor understands that, except where otherwise agreed to in writing or approved by the Superintendent or designee, all original works of authorship produced under this Contract shall carry a [Creative Commons Attribution License](#), version 4.0 or later.

All Materials the Contractor has adapted from others' existing openly licensed resources must be licensed with the least restrictive open license possible that is not in conflict with existing licenses.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, Contractor will license the materials to allow others to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. If the Contractor would like to limit these pre-existing portions of the work to [non-commercial use](#), the [Creative Commons Attribution-NonCommercial](#) (preferred) or [Creative Commons Attribution-NonCommercial-ShareAlike](#) licenses, version 4.0 or later, are acceptable for these specific sections.

The Contractor warrants and represents that Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to apply such a license.

The Contractor shall exert all reasonable effort to advise the Superintendent, at the time of delivery of data furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Superintendent shall receive prompt written notice of each notice or claim of infringement received by the Contractor with respect to any data delivered under this Contract. The Superintendent shall have the right to modify or remove any restrictive markings placed upon the data by the Contractor.

14. Covenant Against Contingent Fees. The Contractor warrants that no person or selling agent has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agent maintained by the Contractor for the purpose of securing business. The Superintendent shall have the right, in the event of breach of this clause by the Contractor, to annul this Contract without liability or, in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fees.

15. Disputes. In the event that a dispute arises under this Contract, it shall be determined by a Dispute Board in the following manner: (1) The Superintendent shall appoint a member to the Dispute Board; (2) the Contractor shall appoint a member to the Dispute Board; (3) the Superintendent and the Contractor shall jointly appoint a member to the Dispute Board; (4) the Dispute Board shall evaluate the dispute and make a determination of the dispute; and, the determination of the Dispute Board shall be final and binding on the parties hereto.

- 16. Duplicate Payment.** The Superintendent shall not pay the Contractor, if the Contractor has charged or will charge the state of Washington or any other party under any other contract or agreement, for the same services or expenses.
- 17. Electronic signature.** Any signature page delivered via fax machine or electronic image scan, receipt acknowledged in each case, shall be binding to the same extent as an original, wet ink signature page. Any Party who delivers such a signature page agrees to later deliver an original counterpart to any Party which requests it.

- 19. Ethical Conduct.** Neither the Contractor nor any employee or agent of the Contractor shall participate in the performance of any duty or service in whole or part under this Contract in violation of, or in a manner that violates any provision of the Ethics in Public Service law at Chapter 42.52 RCW, RCW 42.17A.550, RCW 42.17A.555, and 41.06.250 prohibiting the use of public resources for political purposes.

Contractor represents and warrants that it complies fully with all applicable procurement ethics restrictions including, but not limited to, restrictions against Contractor providing gifts or anything of economic value, directly or indirectly, to the Superintendent's employees.

- 20. Governing Law and Venue.** This Contract shall be construed and interpreted in accordance with the laws of the State of Washington and the venue of any action brought hereunder shall be in Superior Court for Thurston County.
- 21. Indemnification.** To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the Superintendent and all officials, agents, and employees of the Superintendent, from and against all claims for injuries or death arising out of or resulting from the performance of this Contract. "Claim" as used in this Contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Additionally, "claims" shall include but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or in unlawful restraint of competition. Contractor's obligation to indemnify, defend and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the Superintendent for any claim out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, or hold harmless the Superintendent shall not be eliminated or reduced by any actual or alleged concurrent negligence by Superintendent or its agents, employees, or officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless Superintendent and its agents, employees, or officials.

22. Independent Capacity of the Contractor. The parties intend that an independent Contractor relationship will be created by this Contract. The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the Superintendent. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the Superintendent or of the state of Washington by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

23. Insurance.

a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Contractor's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:

- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;

- 3) Maintenance of a legally permitted and governmentally approved program of self-insurance for worker's compensation and occupational disease.

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the Superintendent, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and occupational disease laws, statutes, and regulations and the Superintendent incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the Superintendent for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the Superintendent by the Contractor pursuant to the indemnity

may be deducted from any payments owed by the Superintendent to the Contractor for the performance of this Contract.

- b. **Proof of Insurance.** Certificates and or evidence satisfactory to the Superintendent confirming the existence, terms and conditions of all insurance required above shall be delivered to the Superintendent within five (5) days of the Contractor's receipt of Authorization to Proceed.
- c. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

24. Licensing and Accreditation Standards. The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

25. Limitation of Authority. Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. - c. **Default.** Notwithstanding any provision to the contrary, the Superintendent may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until Superintendent receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), the Superintendent may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.
- d. **Remedies for Breach.** Notwithstanding any provision to the contrary, in the event of Contract termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. 27. Overpayments. Contractor shall refund to Superintendent the full amount of any overpayment under this Contract within thirty (30) calendar days of written notice. If Contractor fails to make a prompt refund, Superintendent may charge Contractor one percent (1%) per month on the amount due until paid in full.

28. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported invoice for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract, and (2) Acceptance and certification by the OSPI Contract Manager or designee of satisfactory performance by the Contractor.

Except as otherwise provided in this Contract, (1) All approvable invoices for payment due to the Contractor shall be paid within thirty (30) calendar days of their submission by the Contractor and acceptance and certification by the OSPI Contract Manager or designee, and (2) All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

- 29. Public Disclosure.** Contractor acknowledges that the Superintendent is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Contract shall be a public record as defined in RCW 42.56. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with chapter 42.56 RCW, the Superintendent shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.
- 30. Publicity.** The Contractor agrees to submit to the Superintendent all advertising and publicity matters relating to this Contract which in the Superintendent's judgment, Superintendent's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Superintendent.
- 31. Registration with Department of Revenue.** The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.
- 32. Records Maintenance.** The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

36. Subcontracting. Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the Superintendent of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the Superintendent.

37. Subcontractor Payment Reporting. If a subcontractor is used to perform all or part of the services under this Contract under a separate contract with the Contractor, this Contract is subject to compliance tracking using the State's business diversity management system, [Access Equity](#) (B2Gnow). Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

MEMORANDUM to ED GRANTEEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and

- Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.

Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting and conference-related expenses.

Exhibit F

CONTRACT ISSUES LIST

This Exhibit is optional

Bidders need only to complete and submit this Exhibit ***IF*** bidder has issues, concerns, exceptions, or objections to any of the terms or conditions contained in the Sample Contract and/or any terms and conditions stated within the procurement. In such case, bidder must use this *Bidder's Contract Issues List* to identify the same as set forth below.

The *Contract Issues List* is designed to frame contract discussions, if any, between OSPI and bidders regarding the Contract terms and conditions. In completing the *Contract Issues List*, bidders **must**:

- A. Identify the specific Contract section/subsection that creates a business issue, concern, exception, or objection;
- B. Describe, in business terms, the issue, concern, exception, or objection pertaining to the Contract section/subsection;
- C. Propose, in business terms, a solution that is reasonable in light of the Competitive Solicitation and the procurement solution being sought by OSPI; and
- D. Provide bidder's reason or rationale supporting bidder's proposed solution, including how the proposed solution is commercially reasonable for a public contract, benefits both the bidder and the OSPI and equitably allocates contractual risk and return.

Please be advised: The Contract(s) to be awarded is the result of a Competitive Solicitation developed pursuant to Washington's Procurement Code for Goods/Services that is designed to meet governmental needs for eligible purchasers. OSPI endeavors to develop commercially reasonable Contracts that incentivize performance and equitably allocate risk and return based on stakeholder input from eligible purchasers, vendors, procurement professionals, and others. Accordingly:

- Contract revisions, if any, may NOT be bidder-specific, but must apply to all bidders.
- Redlined Documents Will Not Be Reviewed. Do not provide a redlined Contract or sections/subsections. Redlined text may result in OSPI making potentially inaccurate assumptions regarding bidder's issue(s). Instead, bidders must follow the instructions set forth above.
- 'Standard' Bidder Contracts Will Not Be Reviewed. Do not provide a copy of bidder's (or a third party's) 'standard' contract or contract section. It will not be reviewed.
- No Substantial Changes. Bidders are cautioned that this is a competitive solicitation for a public contract and **OSPI cannot and will not accept a bid or enter into a Contract**

that substantially changes the material terms and conditions set forth in this Competitive Solicitation and Contract. Bids that are contingent upon OSPI making substantial changes to material terms and conditions set forth in the Competitive Solicitation or Contract likely will be determined to be non-responsive.

OSPI will consider the number and nature of the items on *Contract Issues List* in determining the likelihood of completing a Contract with such bidder
