OSPI Child and Adult Care Food Program Information Sheet

Sponsors of Unaffiliated Centers

Institutions who enter into an agreement directly with the Office of Superintendent of Public Instruction (OSPI) must provide Program oversight and carry out administrative duties for affiliated center(s) to remain in compliance.

Sponsors of Unaffiliated Centers are responsible for program oversight and administrative responsibilities for all unaffiliated centers for whom they hold an agreement. Unaffiliated centers receive meal reimbursement funds; however, the Sponsoring Organization may retain up to 15% of the center's reimbursement for administrative expenses associated with program oversight.

Institutions may choose to terminate their agreement with OSPI for convenience and transfer their CACFP operation to a Sponsor of Unaffiliated Centers. If interested in terminating your agreement with OSPI, please contact a Sponsor who provides oversight to your county. Once you have established an agreement with one of these Sponsors, you must notify OSPI of this transition by completing the CACFP Sponsor Change Form – Self Termination or Transfer.
